PRESS

Bleeding Gums-Pastrami Head: YOU were the one who insisted on WASTING two units "watching" France and I warned you SEVERAL TIMES this was not only a waste of our limited resources but a bad strategy. You ignored me, as you did throughout this entire game, then proceeded to blame me for your own stupid choices.

I will take your advice to heart, however, and will relieve you of your last two centers.

BAVARIAN PASTRIES to ITALIAN PASTRAMI: Yeah, well, it's kinda late now to worry about the Turkish issues, I agree, just ignore Jack anyway, all he knows how to do is whine....

BOOB to FLAP JACK: It is as it is, sorry....

Ita - Ger: So much for your lie that you play to win. All you have done assisted England. You suck.

Ita - Eng: You could have gone for a win yourself (you suck as a player by not even attempting it)

Ita - Aus: I already said why you suck.

Ita - AEG: You make a horrid omelette. Have your sucky draw since you can't understand the object of the game (as stated in the rules)

BOOB to DOUG: Yeah, no more back surgery for me, though it's still a problem, we're trying to be patient, back in the hospital again, hoping to make some fast progress.

Doug - Boob: One of my sisters has had multiple back surgeries. Now she's looking at another to undo some of what was first done years ago. I think she regrets ever having any of them.

BOOB to DOUG ON THE HOUSEHOLD: Hope all is calm now, and you're recovering OK!!!

Doug – Boob: I'm sleeping in my own bed again, and I have privacy. Those are both positives. Now where does privacy cross into seclusion? I haven't had a date since September and prospects are slim at the moment. I am just treading water so eventually I will swim or sink.

Meanwhile poor Beauregard was put down last week, although I didn't attend since I hadn't seen him in months and it was agreed he would either not know who I was or would be too excited. Better to let him go peacefully.
