Welcome to the latest issue of Eternal Sunshine. One game left and then we're done.

Just to clarify, Jim Burgess is STILL doing The Abyssinian Prince (TAP) but I don't include it with ES any longer because only a few people read this zine now. He's looking for some Dip players; if you're interested contact him. He also has a new BPD/BAPD game coming soon, and maybe more Kendo.

See you in July. But first, here is some LONG overdue greatest album stuff from Dick Martin. Enjoy!

**Richard Martin** - i'm clearing out my draft email folder and came across this little gem hanging around since march 2016 - the rest of my album selections for your best of list. some obvious (rumours, slim shady) and some not (eden alley, out of the cradle, bikini red). out of laziness/indecision i haven't reduced it to the ten per decade criteria. oh well, the time has passed for it anyways. do with it as you will. :)

(aside - four of my all time top five are listed and are all from the 70s (technically i think london calling came out in december 79, revolver was in 1966 as the fifth) though i am much more inclined to listen to the 80s stuff than any others, with probably the 50s next most)

### PRESS

**(BOOB to BIEHL):** Yes, you had a tougher time with Jack than I had with Mark, but I suspect that was more about YOU!

**(JIM-BOB to MY PAL JACK):** Yeah, Jack, it was tough, but you never were in a position where working with you made any sense, now the ways are looking clear to get to the end. I hope we can get it there...

**(JIM-BOB to MARK FIRTH):** We both have had MORE than our share of medical problems this game. My 2.5 years of cancer fighting pretty much has paralleled the precise time of this game [fearless Doug GM, when did we start? I was diagnosed at the end of February, 2015]. Fighting the tactics in this game has been equally rewarding!!!

**GM – Jim-Bob:** February 2015 is when we started this thing...so close.

**(GER -- ITA):** I could NEVER have said I "always play to win" since I have some VERY famous two-way draws and other game endings. I've far more often been accused (like you are doing) of NOT playing for solos.

**(BOOB to DOUG ON MY BACK):** I actually was quite happy with my first back surgery, which was very extensive, took a long recovery time but worked. I think it set me up for what's happening now. BUT, no way (me and my back surgeon and oncologist have said) do I want a SECOND back surgery. Much too much back surgery definitely is done out there, but I have a good surgeon who tells you when it isn't warranted.
