TRUTH IS SIMPLE AND EASILY UNDERSTOOD, BUT, FALSITY IS COMPLICATED AND MISLEADING. A FEW WORDS, SENTENCES, PARAGRAPHS OR PAGES ARE SIFFICIENT TO TELL THE TRUTH, BUT, IT REQUIRES PONDEROUS BOOKS AND WHOLE LIBRARIES TO PROP UP FALSITY.

BERLIN(13 MAY 1904)...His excellency, Sir Edgar Rice borroughs,
 Ambassador of the United Kingdom to the German Empire, today confi-
 rmed that the rabbit-like creatures which emerged in Silisia on
 Walpurgis' eve last year were in fact the Thipdars of Pollutidar.
 "I can-not understand" said his Excellency, "why the Pollutidarians
 would not insist that Thipdars were giant flying reptiles. There
 are no such things in Pollutidar or any of its neighbors. The
 Pollutidarians did use giant Canaries (Very tame and friendly) to
 terrify their neighbors the Amiocapians-but that's because the
 amiocapians tend to look like clusters of bird seeds". He also
 noted that the dread Korsar Fleets consisted largely of Triremes and
 Nile barges, and could not stand up to the English Navy. The Popula-
 tion of Germany are still on the lookout for the Pollutidarian
 Army. At least part of it put in an Appearance near Breslau last
 week, were mistaken for truant school boys by the truant officer,
 received sound spankings, and had to sit through two hours of 6th
 grade arithmetic before they were rescued by the War Ministry.
 "Pollutidarians aren't very big, are they?" Asked War minister
 Jochum J, Yokum Von Hundplatz.

I need back issues of Costaguana, Conrad Von Metzke does not have any left does anybody have some they would like to get rid off????

Does anybody have any have any sayings they would like to contribute for the headings for page one???

I need some artwork for my front pages, as soon as I can swing it, I am going to purchase a memio, and I will then stop using this long type of paper and go to the smaller letter type and will be able to use chaeaper paper and get out longer issues, I find I can no longer get by with the present tyrpe of paper the printer is using if it is going to cost me 16¢ to Mail Airmail and 10¢ to mail the regular, I f I can't do it this way I will either have to set a longer deadline or cut down on the amount of pages I print, which will mean I will have to delete alot of the material out of the Propaganda releases, I would appreciate your help on this.....

Again I statte This magazine will never injter into any political discussions, for or against the present administration of the U.S. nor against the War in Vietnam, and if anybody wants to question my loyalty or draft status, I am a Veteran of the U.S. Marine Corp and I did my fighting in Korea, for which I came out with a very badly scarred leg, I didn't want to go to Korea, but, I went, I was one of those unlucky ones that got caught in the Extended tour of duty, to explain, The Korean War started in June of 1950 and I was getting out (At least I thought I was) In September of 1950. Oh well some are lucky and some are not...so that ends my only sojourn into a political discussion.
