10 December 1977

The Christmas Card on the left is one
that I have been recopying for the
last seven years,it is from the
National Council for the Blind of
Ireland,Limerick Branch,it expresses
the feelings that Myself and my
Family..Bruce,Cynthia and Shawn give
out to all of you.

I will most likely be away over the
Christmas Holidays-so I am going to
set a long deadline to get all of(thru
you the Holidays,thereafter we will
revert to a three weeks deadline
so be well warned.

The next deadline for all games is
Saturday January14,1978 (14)

NEW GAMES:

I may be opening some new games in
January.depending on how many of the
present games that are almost ending
end in wins or draws..so if you would
like to participate send in the
listing for what country you would
like to play.

RE-ALIGNMENT

Except for my goff ups with a couple
of players the alighment is working
real good.I am able to type out the
games much faster that I have in the
past..I still have th problem of
last minute moves 19 on Friday and
Saturday with the last issue*IF you
could be a little faster I would
appreciate it..We are starting to go
back to the crazy hours again and she
that means my ambitions will be a lot
lower 12 hours is a long day especial
when it starts at 3 AM.

With
All Good
Wishes
for
Christmas
and the
New Year
