JULY

July will be the 12th year of this madness and I have the intention of reviewing all 67 games that I have run since 1966. (At least in capsule form). 36 of my own and 31 Orphans plus 12 various and 1 orphan. (When I dug my files out and started reviewing all the games I couldn't believe there was that many!)

On to what I am paid for.....
