I TIP ME HAT

I wish at this time to thank all of you who were kind enough to send messages of congratulations, and to also show your regrets at my intended folding of ADAG, but after 149 months of Diplomacy publishing I have had enough and as soon as all the games finish, I will cease Diplomacy. Up to this issue I have been publishing six (6) magazines, I have now cut that down to five (5) by folding Puget Sound Gazette and incorporating its only game into SWODE. But I have one good set of news... FINALLY THE PAPERS HAVE BEEN APPROVED.. now all she has to do is get a visa, perhaps in a months time.. perhaps...

1977-F FALL 1907

NOTE In the Spring moves I had overlooked the German Support of the Turkish Fleet Rumania from Ukraine, so the Fleet Rumania is not dislodged and the RUSSIAN Fleet Sevastopol is annihilated.
