"Well we captured Sam Diego, What shall we do with the Prisoners?  
BOB WARD, we will make him recite "I love Pat Brown" a thousand  
times, ... What about Von Metske?, How about about shooting him?."

A POEM TO DIPLOMACY PLAYERS

He says,my reign is peace  
so slays a thousand in the dead of night.  
Are you happy now?,and those he leaves cry quite.  
He swears he will have no contention,  
and sets all nations by the ears,  
He shouts aloud"No intorvention",invades,and  
drowns them all in tears.

Bits and Pieces

Modern man is smart,the brainest breed,he seems able to control anything any day but Children and wild weeds.

Money will not always bring happiness-the man with three million is no happier than the man with two.

Autonation can be fine,but,many of us miss hearing"Watch your step,please",when leaving elevators.

Our minds seem to have wide doors through which rumors can rush in with ease;however,new ideas seem to need a shoehorn.

My definition of golf;what nail-carrying,ditch-digging,and rug-beating would be,if all done in one afternoon.

This theoretical thinking's throughly thwarted those thinkers they're thrown,they're thoughtless.
