COMMUNICATIONS

I must apoligize to any player or soon to be player, if I fail to answer your letters and cards right away. I have worked 28 straight days without a day off and I'm way far behind in all my letters, maybe I need some GERITOL.

NEWS FROM AROUND THE WAR FRONT

1966-ARAS

VIENNA (MAY 1, 1905)--Queen Sarah F. Allen flew to Rome on an urgent mission of peace. She received an audience with his Holiness The former Monte Cardinal Zelazny. The recent attack on Trieste by Italian forces is a direct violation of a truce between the two nations. Queen Sarah Allen implored the Pope to intercede for peace and to use the influence of his office to effect the retreat of Italian forces from Austrian soil. Austria does not want war with Italy and wishes to hear Italian conditions for a cessation of hostilities.

1966-AH

PEERIS--We have often wondered what mysterious hold JJ Dygert had over Gail Schow that allowed him to dictate her moves to her. Now that JJ has departed for Texas Gail must have found a new source of moves and brains. We wonder if CMT will be up to manipulating both his forces and Gails?.

1966-BB

ST. PEERIGRAD--In his first public appearance in half a decade Prime Minister V.A. Tskhevbashivili today announced the engagement of the Crown Prince George Daniel Michael Evans-Kuszynski of Poland to her Imperial Majesty the Czarina Xenia Tanayevski-Ordevski (Stab III). The engagement promises to create one of the greatest empires in the history of the World and may bring to reality the plots of the sinister International Conspiracy to create a world-wide PEERIOCRACY. The Evans-Kuszynski-Tanayevski-Ordevski union promises further to remove the last vestiges of the Old Imperialism in Europe and replace it with forthright greed and expansionism. Just when the monumental event will take place but rumors have it that the happy event will be soon. Meanwhile, the Russian Supreme Court has condemned the Governments announced intentions to wipe out every German still alive in Europe and instead has ordered the Government to provide each of them with a one way ticket to Rantoul Illinois.

1967-AO

LONDONTOWN, FRANCE-- WHEN ARE YOU GOING TO WAKE UP AND QUIT THIS NONSENSE OF ATTACKING ME. I C'ANT BELIEVE YOU ARE THAT STUPID. HAVE YOU BEEN LISTENING TO MARGERET AGAIN?.

1967-AX

LONDON--A state of war exists between England and Germany, England and France

1968-48 I

ST. PETERSBURG--Prince Raxazamov, Captain General of the forces of the Tsar announced today; We have secured Austria. There remain the English, who have violated our treaties and despoiled our lands. =
