

# ALPHA AND OMEGA

Issue # 1

May 1983

(Formerly 'Lord of Hosts'.)

This is the official publication of the Miller Number Custodian, Lee A. Kendter, 4347 Benner St., Phila., PA. 19135

.....  
Welcome to my first official publication as MNC. My primary purpose here is to get the word out to as many of you as possible that the MNC is alive and functioning. Since taking over this job I have done my best to get the Miller Numbers in good order and up to date. As of this date all requests for numbers have been filled and the numbers are in reasonably good order. If you know of a variant game that does not have a number tell them to write me. Answers to most of your questions follow.

WHAT MUST I DO TO GET A MILLER NUMBER ?

You must send me the following;

- 1) The name of the variant. (if brand new I'd like map and rules)
- 2) The name of the GM
- 3) The 'zine (and/or subzine) it's running in (if any)
- 4) The players names and country assignments

IS THERE A FEE FOR MILLER NUMBERS ?

No, I do not charge a fee. However, a self addressed postcard or a self addressed, stamped envelope is appreciated. Donations are accepted.

WHAT IS ALPHA AND OMEGA. ?

The primary function of this 'zine is to publish recent variant game starts and finishes. It will also be used to keep you up to date on any MNC bussiness that I feel is important.

Articles on variants and the Variant hobby may run in here if I can work out proper arrangements with someone to type them up. I am a lousy typist and I will not spend time typing articles/letters, etc. Perhaps someone out there is interested in writing a regular column in here ??? Let me know.

HOW DO I RECEIVE ALPHA AND OMEGA ?

Subscriptions are the best way to receive this as it will be published on an irregular basis. Subs are 3¢ a page plus postage. Send me a few dollars and I'll keep your account. Trades are acceptable but keep in mind that you will get the short end of the deal as I'll only publish 3 or 4 of these a year. Mutual subs are NOT acceptable.

Most of you are receiving this issue free because I'm trying to get the word out that my office is doing it's job.

LORD OF HOSTS (this 'zines predecessor) back issues are NOT available from me as I do not have copies of them myself ! I do have a few #17 for 40¢ a copy. I WANT issues #1 thru #16 for my files if anyone has spare copies or is willing to photocopy them for me. I'm willing to pay a reasonable fee for these.

THE TREASURY is in decent shape as John Leeder sent me \$ 158.31 in funds when he transferred the office to me. However, I have already spent over \$50 of that money and received one \$2 donation from Ron Brown (canada). So the funds are going out faster than they are coming in.

Your sub balance after this issue is \_\_\_\_\_ We Trade \_\_\_\_\_

This is a free issue...don't expect any more without subbing \_\_\_\_\_
