APRIL 1988  
Number 15

The First Quarter of 1988 saw quite a flurry of activity. Twenty-Seven numbers were issued in that period, which is the highest number I have issued in any one quarter since I took on this job on June 1, 1986. Of course, I cannot expect this pace to continue throughout the year, but if it does a record for numbers issued will be set.

Actually the pace has already slowed down a bit, but is still moving along at a brisk pace.

FIRST QUARTER FINANCES: Total Income: \$15.00. Total Expenditure: \$10.76. Leaving an operating profit of \$ 4.24. Whoopee!!!
