

ALPHA and OMEGA

This is the official publication of the Miller Number Custodian, who is:
Fred G. Hyatt 60 Grandview Place, Montclair, New Jersey 07043

NR. 17
October 1988

Matters of most importance first: This is the last issue of "Alpha & Omega" which will be sent out by me. Effective November 1, 1988, I am resigning as Miller Number Custodian. Two and one-half years is an adequate span of time for anyone to hold a position like this.

My appointed successor is: Randy Grigsby RR #2, 571 Sunnidale Road, Barrie, Ontario L4M 4S4, Canada.

I do want to thank all of you for your support, both moral and financial, over the past 2½ years. At times, it has been a rather unpleasant situation. I only hope that you will extend to Randy the same degree of support.

Treasury report: In the Third Quarter of 1988, the MNC received \$7.00 in contributions and spent \$10.10 for an operating loss of \$3.10 for the quarter. However, do not fret over that! As of September 30, 1988, the Miller Number Treasury contained \$253.18. Randy will, of course, receive from me that amount, less any expense I incur in the next month. (Like what it costs to produce and mail this issue of "ASO").

The Omegas: only ONE!!!!!!!!!!!! I don't understand why people seem to want numbers for variant games, but never (well, hardly ever) think to send the end game reports to the MNC!!

That's it folks. The next "Alpha & Omega" you see will come from Barrie, Ontario.

It has been interesting, and at times rather fun. My only disappointment is the paucity of end game reports sent in. I don't know what, if anything, Randy can do to improve that.

BYE!!!
