

ALPHA and OMEGA

January 1985 Issue #7

This is the official publication of the Miller Number Custodian, who is; Lee A. Kendter, 4347 Benner St., Phila., PA 19135 215-333-9729

Happy New Year to all ! This issue is out a lot sooner than I thought it would be but enough activity has ocured to make it worthwhile. Things are going very smoothly with the MNC and I appreciate how all of you have cooperated with me. Actually this job is so easy it really boggles my mind when I think how badly it was neglected for so many years ! When I was the BNC the work was overwhelming. Not a day went by that I didn't receive something that needed my attention. As MNC I only receive one or two items a week on the average. I don't see this changing very much in the immediate future so I fully intend to keep this position for at least this year. Beyond that....I'll see.

.....

Finances are still in excellent shape. I should be able to publish issues 8 thru 10 before I really start to need funds. POSTAGE is my biggest expense and now the USPS is going to raise the rates again ! When I started in the postal hobby in 1974 the first class rate was only 10¢. Now it's going to be 22¢ and I'll bet 25¢ is not too far away.

Donations since last issue (in no particular order)

- Cathy Cunning \$1.00
- Mark Coldiron \$3.00
- Robert Sacks \$59.72 (NYGB)

I also have on hand a game of COSMIC REVENGE that was run by ANDY LISCHETT. It apparently was never assigned a Miller Number and I would like to assign it one before I publish the Endgame information. However, my request for the information to Mr Lischett has gone unanswered. Does anyone know when this game started ??

The winner was Russ Rusnak as Germany-Filth
All I really need is the YEAR that the game started.

That's it for another issue of ALPHA & OMEGA, see you in a few months.
