

Hey-nonny-nonny-beserovi-oh! This is a move-sheet for 1973IK, which is getting ickier by the month. This issue is Pandemonium Publication #561, edited and published by Rod Walker, 4069 Jackdaw St., San Diego CA 92103. Anybody who wants to subscribe to this thing can do so for 10¢ a copy, sent in herds (two's a herd??) of 2 or more. The players are, however, condemned to get it anyway.

NOW, ABOUT THAT DRAW....

My paperwork is in a mess at the moment. I had 2 "yes" votes, 2 "no" votes, a vote I can't remember, and one person not voting (I think). Well one "no" vote was enough. Onward.

I have a request to publish the vote. I assume that means the number voting each way. However, it might mean publishing the names of who voted which way. I will do this if there is no objection. An exact list of the votes cast, and by whom, will be given in the next issue if there is no objection from any player by the next deadline.

And see my discussion of draw and concession votes in EREHWON 82, on your doorsteps sometime this month (I hope).

Let's see...tonight I have to get this ready to mail, type LAPUTA #4, collate and mail EREHWON #81 Jim, throw a little benzedrine in the coffee, OK?.....
