

No, don't tell me...let me guess...it's that time again, isn't it? Yes...gag...this ~~far~~ but is BESEROVIA, which brings 1973IK winging its way right to your jugular. The players get it automatically, and people with more money than sense may actually subscribe @10¢ a copy (sent in hordes (or possibly whordes) of 2 or more. And for those who are fascinated with numbers, this is Pandemon-

FALL 1906 ORDERS are due on Monday, 27 January 1975. I have tentative orders from Austria already.

If anyone wishes to propose a draw or stalemate or concession vote to be effective with the Winter 1906 orders, he should make that proposal now.

Angels we have heard on high....but it takes at least 4 joints.

See how easy it is to fill up a page if you double-space and think up lots of stupid crap?

Well, Feliz Año Nuevo, Kinder.
