

If I had an orange ditto master, this would be our St. Patrick's Day Memorial issue. As it is, you will have to do with a purple issue of BESEROVIA, the journal of 1973IK, the clicky (remember that one, Buck Rogers fans?) Game. We have changed our publishing title, even. This is Alcala Publication #590, edited and published by Rod Walker, "Alcala", 1273 Crest Dr., Encinitas CA 92024.

1973IK

WAR DELAYED ON ACCOUNT OF GAME.

Autumn 1906: In Fall 1906, the AUSTRIAN order A Gal-War failed, of course. Retreats were as follows:

ENGLAND: A StP R-/d/.

ITALY: A Pie R-Ven. (I meant Italy, last time, not France....)

Winter 1906: Since England retreated off the board, the winter season will be published separately and Spring orders are due next time. Positions are as follows, Builds marked *.

AUSTRIA (Scott): A Vie*, A Apu, F Ion, A Trl, A Boh, A Rum, A Gal (7).

ENGLAND (Kelly): A Edi*, A Lvn, F Nwy, F Bal, F Nth, F Wes, A Mun (7).

FRANCE (Brooks): A Bur, F Tyn, F Tun, F Lyo, A StP, A Pie, F Tus, F Iri (8).

GERMANY (McKeon): A Ber, A Sil, A War, A Pru (4).

ITALY (Blank): F Rom, F Nap, A Ven (3).

RUSSIA (Vagts): A Mos, A Sev, A Ukr, F Aeg (4; 1 short).

SPRING 1907 ORDERS are due on Friday, 28 March 1975.

Vote on the draw proposal: 3 "yes", 2 "no", 1 not voting.

I have Spring 1907 orders on file for Austria, Italy, and Russia only. Since Germany missed the Winter deadline, s/b orders are specifically requested from Bruce Schlickbernd (address in #10). I don't anticipate actually having to use them, but I would like them on file.

My telephone number is (714) 436-6619. THIS IS NOT FOR PUBLICATION, PLEASE.
