

This is the last issue of BESEROVIA, at least for the nonce, being the gamezine for 1973IK, which ends in this issue. This is Alcala Publication #606, edited and published by Rod Walker, "Alcala", 1273 Crest Dr., Encinitas CA 92024.

### 1973IK

LINES HARDEN AND FREEZE AS GAME STALEMATES. ENGLAND COMMITS LAST-MINUTE BIT OF PETTY LARCENY, JUST TO KEEP IN PRACTICE....

Fall 1907: Three players had conditional votes. France and Germany made votes conditional upon the situation around Moscow; England, on that plus the situation in the Ionian. The result was a unanimous vote for a 6-way draw. It is so declared. The final wrap-up and supply-center chart will be published in EREHWON (probably #87).

The new game is going to be a Press Release Game. It will be required to submit 10 lines minimum (and not more than 1 typed page) of press with each season. Game fee will be 25¢ per season. I hustled some of the more prolific writers in the hobby and have 6 in the game at this point. I don't recall that press is the métier of anyone in this game... that is, you are not known as big contributors. For that reason, I have not counted anyone in at this point. If you want to play in a press game, however, and honestly intend to submit lots of good press, please let me know. First come, first served. I will also want some s/b players, and you know that the #1 s/b will be sure to get in (I won't use the Tretick system in this game). I'll need a preference list.

A statement of your account here will be on this sheet (maybe on the back). It will be converted into a sub to EREHWON. If, however, you wish a cash refund, please let me know.

Good game, guys! Thanks.
