

This is BESEROVIA, which has not yet recovered from #1969BQ, the GobbleGobble Game, in which you may be surprised at what got gobbled. Subs are 10/\$1, or 5¢ a copy by hand delivery. This is Pandemonium Publication #130, and was edited and published by Rod Walker, 5058 Hawley Blvd., San Diego CA 92116; 'phone, 282-1921; member, NFFF GB Diplomacy Division and IFW Diplomacy Society.

...OH, THE HELL WITH IT...

Please note: I now share my office with two office-mates. In addition, the office next door has one more occupant who is around pretty regularly. Therefore, the area around the bulletin board is no longer a good place to conduct negotiations. Use of the area, including my office, must be strictly limited to getting a copy of your publication, marking down positions after the current move, turning in moves, and checking any rules difficulties with me. Please cooperate. It's not that I don't want to see you guys around, it's just that the game is strictly extra-curricular and has nothing to do with why these facilities are here in the first place. If the game and its players disturb the others who are assigned to these offices, the game will have to go.

Please, therefore, schedule negotiations elsewhere. I will try to make sure you get conference maps if you need them. Try not to use them up too fast, as my supply is somewhat limited.
