ZIESKE WINS SILVERTON!

Congratulations to Paul Zieske on his first **SILVERTON** win in **BORIS**. He would've won several others but the 24 turn rule was in effect.

Boris brought home some Wood this year, winning the **UNION PACIFIC** championship. I played 13 different games for a total of 24 played, making the semifinals in **UNION PACIFIC**, **KAISER'S PIRATES**, **MONSTERS RAVAGE AMERICA**, and **GANGSTERS** while just missing the final in **CIRCUS MAXIMUS**. Picked up a used copy of **WAR IN THE FALKLANDS** for Wayne Morrison (\$8) and **1863** (the Parker Bros Civil war game -- only copy I've seen in 40 years) and **THE AMAZING SPACE VENTURE** (think **CARCASSONNE** in space with spiteful cards) for me.

"Gawain" should end next issue opening another page for new games. Leading candidates are **CIRCUS MAXIMUS**, **WIZARD'S QUEST**, **PUERTO RICO**, **RAIL BARON** and **MERCHANT OF VENUS**. Sign up soonest and bring a friend.

IMMEDIATE OPENINGS:

BLACKBEARD: Position #1 is available (Tew (2nd Pirate), no KCs.

BORIS'S BULLETIN BOARD

THOUGHT FOR THE MONTH: "Everyone is down on pain, because they forget something important about it. Pain is for the living. Only the dead don't feel it" -- Jim Butcher

PICTURE OF THE MONTH: Me with my **UNION PACIFIC** plaque and 1st Place hat.

NEW ON THE WEBSITE: Hall of Fame has been updated. **MACHIAVELLI** has been moved to the finished folder under transcripts. Fixed a couple of formatting problems in the **GUNSLINGER** pbm rules. Fixed links in several old transcripts. Added **KREMLIN** #1 and **DUNE** #1.

BOOS & KUDOS

The Madame Bolduc Press Excellence Award (and free issue) goes this month to Kevin Wilson for his post H. Gustav report on p 2.

This month's Ms Nar Super-Sudsy Bomb is lobbed at the Andersons for late orders.

PERSONAL COMMUNICATION HERE (maybe):

Deadline for most games is 1800 CDT 3 Oct 08

ITALY OUT! Kaiser Reduced to Piracy! Fall 1905

XIX
2007B

MINAS MORGUL: The dismemberment of Italy is complete. The only Italian option left is whether or not to take the German army with it by attempting to flee to RUH. The Kaiser would then have only his pirate fleet under his command -- and it could be difficult to corner if it escapes into NTH. The French and English are finally working together after centuries of conflict, but could that Turkish attack on WAR be the thwarted beginning of the long-expected Turkish stab of Austria?

EMBASSY BEAT

AUSTRIA (6 Sep 08): Note to the players and anyone thinking of us in Boris. Hurricane Gustav slammed us fairly hard but the Wilsons are fine. My wife skipped town to my parents in Missouri where they have power, air conditioning, gasoline and most importantly, grandparents! No damage to the house. No power, no phones, no cable, no email, no web. Best estimate is Wednesday next week. The office reopened yesterday so I'm catching up on work and personal email this weekend. Lots of damage through the area, trees through roofs, on cars, downed power lines, localize flooding. The worst is the lack of power. Some areas won't have power for another 2-3 weeks. The stores are reopening as are some restaurants. Lines at the gas stations are still long but much shorter than they were. Now we just have to hope Hurricane Ike doesn't come calling. If he comes too, I may bug out to Missouri!

MACHIAVELLI Some Speak!

Troop Movements: French A TYR retreats to SWI.

France-Austria: My apologies for not quickly recognizing our true enemies.

France-T/V: That was mighty quick. Congrats!

France-Boris: Yes, try again.

GM: First off, especial thanks to Marin for stepping in and filling in for the resigned Paul Barrett. his was a near hopeless position and he managed to hold his own and survive.

Austria's fatal swoon removed any counterweight to the T/V naval threat. The south of the Boot and indeed the all the sea zones except those right off France fell to him quickly. Couple that with a secure eastern flank, and it was all over, as I said previously, "before the pieces were barely out of the box".

Anyone for trying one of Bahl's Medieval MACH scenarios? See

THE HUNT

1st Chase Extended!

VI

Inspired by Lipton's book, "An Exaltation of Larks" (ISBN-10: 0140170960), this is a word game where we propose a noun and the players are asked to propose a collective noun to fit, such as "flock" for sheep, or "pride" for lions. Boris and Ms Nar will rank each entry for each word and the best score will be the winner, regardless of Mr. Lipton's proclamations. Each word gives a possible 1 point, but the point may be split if either more than one player suggests it or two or more words are ranked equally. The first player to score 10 points wins six free issues of this rag (not to mention ennobling). The Hunt is run in "Chases" or rounds until someone reaches 10 pts. To the Hunt!

We have a bit of a problem here. Only one player responded. He obviously would win the game since he scores all ten points and ten points are the victory criterion.

So we extend Chase 1 and offer a few examples of what we're looking for.

HUNT 5, CHASE 4 (Theme: Clergy)

- | | |
|-------------------|---|
| 1. bishops | box, bucket, chessmatch, mitar(+*), miter(N), sea(L), synod(B) |
| 2. prelates | body, curia(B), pontificality(L), preamble, prelim, prevalence(@), superiority(@) |
| 3. rabbis | argument(B), bris, circumcision, commentary(L), rash, synagogue(N), torah(*) |
| 4. ministers | church(N), mass, maxx, multitude(B), pulpit(*), visitation |
| 5. vicars | collar(*), manse(N), pasture, prudence(L), viscount, volley, Wakefield(B) |
| 6. televangelists | broadcast(*), fundraiser, profit(L), scandal(B), station, thunder, tube |
| 7. nuns | convent(1,N*), flap(L), habit(2), niche, superfluity(L), terror(B) |
| 8. friars | brotherhood(N), cloister(*), order(B), pan, roll, skulk(L), tunic |
| 9. priests | celibacy, discretion(L), mass(L), parish, pew(2*), plethora, shortage(B) |
| 10. deacons | beacon, collection(*), dedication(B), den, jones, ministry(N) |

NOTE: correct spelling for a Bishop's hat is "miter".

Legend: B = Boris's suggestion, L = Lipton's suggestion, N = Ms Nar's suggestion, # = multiple entries, * = sole winner, @ = tied for 1st, + = note

OK, another example paraphrased a bit from Lipton (p 109). Four Oxford Dons were flapping (they were, of course, wearing the traditional professorial gown) across the High when they espied a small, but conspicuous group of prostitutes. The first Don quipped "A jam of tarts". The second, a music professor, retorted "No, a flourish of strumpets." The third, an expert on 19th century English literature, said, "surely not, 'tis an essay of Trollope's". The fourth, a literature professor, ventured "an anthology of pros". Lipton also adds as variants to the tale "a pride of loins", "a peal of Jezebels", "a smelting of ores", and "a troop of horse".

Get the idea? Then on with the Chase!

CHASE 1 (theme: Vehicles)

- | | |
|-----------------|----------------|
| 1. SUVs | 6. rowboats |
| 2. zeppelins | 7. barges |
| 3. bicycles | 8. pogo sticks |
| 4. unicycles | 9. ferries |
| 5. hang gliders | 10. buses |
