KREMLIN OVER!

NEW 1835 GAME TO START!!

Party Chief Oleg Satin managed to wave throughout the October Parade, earning the Party of Socialist Cartographers' its third wave and victory. Congratulations go to Paul Saunders. Condolences to the others, who can expect one-way tickets to Siberia to be hand delivered any day now by the KGB.

We have a full compliment of seven, so we can begin the new 1835 game immediately. Our expectant gamers are John Butitta, Don Chinnery, Dan Farrow, Mark Frueh, Chuck Hanna, Michael Tsuk, and Paul Zieske; Bill Wordelman and Rick Egtvedt are waiting to take over a chair should any of you reconsider. This month all I need is your votes (Bill's & Rick's too, in case they get in) on the three optional rules and on whether I should attempt to do the game report *and* Deutsch. While you're at it, include what your orders would be if you go first or second; these may be conditional on which optional rules pass. Next month we'll announce the results of the voting, the seating order and the first two buys.

This month's issue is a week later than planned as I was out of town 4.5 days last week. The deadline has been adjusted to give y'all the usual 4 weeks or so.

I'm giving some thought to doing a COSMIC STELLAR CONQUEST. That is, SC where each player has a special advantage. Those interested are invited to suggest some such powers. We could do it a couple of ways. The first way would be to have all involved "ratify" the powers, then be randomly assigned one. The other would be to have the players "bid" for the power they wanted using their initial 25 ip as cash. The powers I've come up with are:

- The Clairvoyants: you can sense an enemy attack a turn before it happens
- The Hobbits: you can populate a planet to twice its normal limit
- The Kobolds: you score B and MT planets instead of T and ST; cannot settle T planets
- The Raiders: your scouts are armed; roll 1 to kill S, 10 to kill C, no effect on F or D
- The Marines: when you kill a ship in combat, roll a die, if result is even, capture it
- The Natives: you begin on a T planet at Draconis with full population, but no ships
- The Rabbits: you breed at twice the normal rate; you work at half (.5 ip per M)
- The Telepaths: you start with USC

Several of you have let your subscriptions lapse with last issue. This is your last issue unless you pay up.

BORIS'S BULLETIN BOARD

THOUGHT FOR THE MONTH: "We tend to become like the worst we oppose."
--Bene Gesserit Coda

The correct dates for AvalonCon are 5-8 Aug (with a sneak preview on the night of 4 Aug).

Birthday greetings go out to Wayne Morrison (BORIS V, CRUELTY IS IN, GREED IS GOOD) on his birthday last Sunday.

Thanks to Keith Sesler for a copy of the THE FINAL CONFLICT rules and mapsheet. TFC is a DIP variant involving air support and nukes, pitting Australia, Brazil, China, the Pan-Arab League, South Africa, the Soviet Union, and the USA against each other. Looks nasty.

BOOS & KUDOS

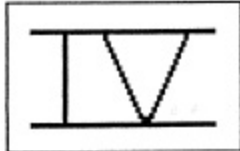

This month's Madame Bolduc Press Excellence Award goes to J. Fisher for his article datelined Berlin in BORIS IV.

This month's Ms Nar Super-Sudsy Bomb goes to Wormtongue for his article from the *Sevastopol Sentinel* in BORIS IV. Gloating is a negative emotion!

Do Suidaniya, Tsar!! Au Revoir Prochain?

Fall 1907

CLIFFHOME--As Austria hammers the final nails in the Tsar's coffin, his toady, Italy, aids in rendering asunder the hapless French. Assuming PAR will fall to the Germans, the Anglo-German alliance has 15 centers opposing the Austro-Italian 19. Britain needs to establish the Gibraltar stalemate line quickly before the Italian fleets break out of the Med and become more than bothersome raiders. Germany should remain primarily a land power and take the fight directly to Wormtongue. Italy remains the key here.

EMBASSY BEAT

BERLIN--The Kaiser was hospitalized this morning, apparently for stress resulting from his frustrating campaign against the French. A guard reported that he found the Kaiser late last night jumping up and down in his frog pond screaming, "Die a horrible death, die a horrible death!" The Kaiser's condition is reported as being stable, but his doctors recommend that he rest for an undisclosed amount of time. The Kaiser officially placed Foreign Minister Fischer in full control of the German military to continue the destruction of the vile French dogs. Fischer told reporters that the Kaiser's final words to him at their meeting were, "Bring me legs."

BORIS WORLD PRESS REVIEW

Sevastopol Sentinel: Archduke Wormtongue wound up his visit to the freshly liberated eastern provinces yesterday by touring some of his new dachas on the beach. He then boarded his newest cruise ship, the *Poorpsal* (that's Slovenian for what-a-sucker) and left for his vacation in the Aegean. While a few merchantmen complained that their transit through the Dardanelles was unduly delayed when the *Poorpsal* stopped in the channel so that the Archduke could have a shave, their mouths were silenced when he pointed out the potential for disaster if the razor should slip due to rough water. An Englishman on one of the vessels offered to take over for the barber but the Duke politely declined. The "barber" is being detained for questioning.

Vienna View: The Office of Foreign Affairs today presented His Majesty King Klausutis with a pair of golden Turkish scimitars in appreciation for his assistance in defeating the upstart Turkish and Russian feildoms. "Without your help," Wormtongue is quoted as saying, "we would probably have ended up as another English puppet like Germany. I can't stand the thought of our great peoples being brought to such a degrading level as that. I think they'd rather die."

ITALY INFILTRATED!!

STALEMATE LINE FORMING!

FALL 1907

Murkwood--Italy has officially been entered on the "Endangered Nations" List. VEN and ROM are doomed to fall if Emperor Charles and Tser Jack cooperate even minimally. The Tudor-King's abundance of fleets is not well-suited to take the fight to the Russian hordes; he must soon decide whether raiding France's littoral centers (which, come to think of it, they all are) might be the quicker path to victory.

ROME: A persistent ringing in his head awakened the Duce from his alcohol induced nap. "What is it?" asked Il Duce McHugh as he answered his stapler. Putting it down he picked up the phone.

"Did you get your adjudication?" asked GM Paul the torturer of the empire of the sun: Florida. "I see you don't know what you have...hee hee!"

Il Duce was not amused. "Listen, I don't want anymore of these loser Bwad Wilson standby positions. I only want 17 center going for the win standby positions," whined the flapped one. "My toadies, like Sack Kent and Boob Acheson, are getting restless. That's your fault..."

"Stop whining and give me your orders. I got important things to do and listening to you whine isn't listed among them."

The Flapper gave his orders and hung up. He immediately called his chief toady, Don Greenwood at Avalon Hill. "Listen, Don, when Paul Bolduc registers, here's the plan..."

SPRING 1902

WALL STREET JOURNAL--Investors continue to disdain the dinar--and with good reason--at least for the short term. The pound is also taking a beating, as did F NWY. The ruble and kroner appear to be gaining strength of a not-so-secret Austro-Russian Alliance. Could an Anglo-French entente be developing, despite all the previous rhetoric, to counterbalance the Eastern alliance? The Italian moves westward would seem to make the pact imperative for M. Rezzarday. Germany holds the key swing vote as to who will be first to get the axe.

EMBASSY BEAT

LONDON--New Foreign Minister George Bernard Shaw stated England's foreign policy will be guided by realpolitik. When asked to elaborate, he said, "It comes down to one word, Belgium."

PARIS--The great Anglo-French friendship and free trade pact has finally been signed by the necessary dignitaries and now stands for all to see in the Louvre. The British PM's closing toast was, "Let the Barbarians kill themselves while we drink champagne and you drink scotch."

ST PETERSBURG--The Tsar of All the Russias is pleased to announce the beginning of the Final Crusade to establish Christian control over "Eastern Rome" and the Holy Lands.

BORIS WORLD PRESS REVIEW

Barcelona Bulletin--A host of dignitaries was present today to witness the awarding of the prestigious Super-Sudsy Bomb to the staff of this newspaper in honor of its coverage of the French war crimes on SPA. Receipt of this award follows close on the heels of, and indeed eclipses, the paper's receipt of a Pulitzer Prize for the same coverage.

"This is a great day for Spain," said Spanish President Al del Gravo. "But despite my joy at this happy event, my heart is still heavy with the knowledge that the French troops will soon return and that the horror of French occupation will resume."

President del Gravo went on to plead with the other nations of Europe to destroy France, and to request that, if France ever is conquered, all of its citizens be imprisoned for war crimes.

In related news, it was ~~announced~~ announced today that a small group of wealthy Spaniards had contributed over ten million pesos toward establishing an independent Spanish military unit. This unit, to be called the voluntistas, would be charged with defending SPA from French invasion. No further information on this unit was available at press time.

Sophia Standard News--The King's invitation to the Austrian Empire has met with a positive response, and sources close to the throne today announced the hated Turkish armies should soon be forced out of BUL. The King also expressed his thanks to the other European powers for their support during Bulgaria's "time of trouble".

OPERATING ROUND 6.2:

B&O: Lay Tile #67 in H18(w). Run J14-I15-H16-H18 (\$120). Pay dividend (TRC +\$60, G&D +\$48, PZ +\$12) so price soars to A200.

PA: Lay Tile #9 in H6(e). No train, so no run, so no dividend; price slumps to F67. Buy 4-train from C&O for \$1 (\$409-1 = \$408).

NYC: Lay Tile #61 in E23(ne). Run I15-H18-G19S-G17-G19N (\$290). Pay dividends (PZ +\$174, NYC +\$87, TRC +\$29); price goes to F75.

Due next time will be orders for SR 7. Mr Bliss has the Priority Card. His CP has two 4-trains, but his NYNH&H has beaucoup bucks to buy a diesel, so a change of presidency for the CP is in the air. Plan accordingly. The PA and C&O are also prime dump candidates if a chump, er, VP, can be found. Note Don's new temporary COA.

Phase Change!!

Der Zug is Rolling!

Errata: Where to start? #3's tile lay (#6 in F10) was illegal; it is changed to #24 in F18(w). #6's play of Tile #25 in C19 was a GM delusion, so that play is cancelled. SX had two 2+2-trains so scores an additional 90M run via E19-C11-B12. BA had only one 3-train, so loses an 110M run, dropping the dividend to 11M/share; the share price should have gone to D94; it bought the 3-train back from #6 for 1M. HE also bought the 3+3-train from #6 for 1M. WT had a better run for 110M, viz N10-M9-L8-L6-J8-I17; dividend increases 1M/share. RTE is not at the certificate limit (15). Vdz no longer has #2. The Player and Corporation cash totals were all fouled up. Corrected figures follow.

DBC folds #3 into the PR (+5M). Privates pay RTE (5M+10 = 15M) & Vdz (15M+25+30 = 70M)

#1: Lay Tile #23 in K7(ne). No train, no run. Buy 3-train from BA for 151M (151M-151 = 0M)

#4: Lay Tile #204 in H4(ne). Run G5-G3-H2 (100M). (#4 +50M, CCH +50M).

#6: Lay Tile #203 in B12(e). No train, no run.

PR: Lay Tile #6 in F10(e). Play free token in L6E, closing PB. Run B12-C11-E19-E21(100M); pay dividends (Vdz +40M, CCH +5M, DBC +5M) price soars to D172. Buy 4+4-train (712M-440 = 272M). All 2+2-trains are scrapped.

BY: Lay Tile #58 in M15(nw), using the OB. Play free token in L14(N), closing the NF. Run L14-O15-N12-N10 (100M) & M9-J8-J6-I3 (130M). Pay dividends (RTE +115M, Vdz +115M); price returns to A166.

SX: Lay Tile #24 on K13(nw). Run F14-G15-H16-I17-L14N (110M). Pay dividend (DBC +110M); price climbs to E140. Buy 5-train (614M-500 = 114M).

OB is closed. The Braunschweigische, the Hannoverische, #1, #4, and #6 are merged into the PR (+52M & two 3-trains). Brown tiles are now available. Train limit is now 3 for PR, 2 for rest. We will have three ORs following every SR from now on.

BA: Lay Tile #216 on J8(ne) (420M+151-50 = 521M). Run I3-J6-J8 (\$120). Pay dividend (CCH +72M); price moves to D94. Buy 5-train (512M-500 = 12M).

WT: Lay Tile #216 on I3(e). Run M9-J8-J6-I3 (160M) & L6-L8-M9-N10-N12 (110M); pay dividend (RTE +135M, CCH +54M, WT +54M, DBC +27M); price goes to F88.

HE: Lay Tile #216 on H2(se). Run B16-B14-B12-C11-E19-C21 (150M) and H2-I3-J6-J8 (180M). Pay dividend (CCH +204M); price returns to D84.

Due next time are orders for SR 9. Rick has *der Zug*. All Bank shares of PR, BA, and HE must be bought before MS can be started. Note that no trains can be bought until MS buys one (Rule XII, para 2, last sentence). Note Don's new temporary COA.

MAGIC REALM

Fang Beats Bat!
Grey Day!

The Cast

John Butitta: "Moondoggie" the Sorcerer (Bushytail, Misty)
Scott Cameron: "Black Bart" the Black Knight
Marcel Carbonneau: "Amber Rose" the Amazon
Don Chinnery: "Scitch" the Witch King (Ribbit! Silky)--check new temporary COA
Dan Farrow: "Woolly" the optional Wizard
Richard Price: "Sir Jordan" the White Knight
Jack Shacklett: "Fang Gulfwulf" the Berserker

ERRATA: Scitch rested his MAGIC IV4* chit, not his MAGIC V2*. Day 14 will have GRAY magic not GOLD.

Evening 13

Monster Roll = 3

Crying "HAYOC!" Fang and Ralph attack the bat. Fang lures the bat by brandishing a horsehide-covered sphere and taunting, "Here, see if you can hit this!" Ralph thrusts M5*, Fang smashes H6/ducks H5*, and the bat thrusts/charges M2/3. The bat draws blood as Fang wounds his MOVE H6.

The boys deploy in the same manner for the bat's second run, and this time it screams in at smash/duck M2/3, damaging Fang's helmet before his alerted axe clefts it in twain. Fang scores 3F and 3N and wounds his FIGHT H5 chit. Ooh! What a headache!

Scitch casts BROOMSTICK using MAGIC V3* and BLACK 4.

Day 14

GRAY

Monster Roll = 3

Spiders (except Scitch's Silky), Imp, and Bashkars return to the Set Up Card. Ghosts return to CV5.

Amber Rose @ DW1: H(5,1 = y), M DW6, S(Peer 4,3 = HE), S(Peer 6,3 = no); reveal DANK M, VAULT 3. H Spider appears @ DW6.

Sir Jordan @ DY2 w/R4: H(6,5 = n), M DY5, M DW2, M DW3, blocked by T Troll; reveal DANK M, VAULT 3. H Spider moves(?) from DW6 to DW3.

Moondoggie @ CV4: R(MAGIC IV3*), R(MAGIC IV6*), SPX, SP(enchant MAGIC IV3* to PURPLE), SP(enchant MAGIC IV6* to PURPLE); 2 ghosts move to CV4.

Woolly @ House: T, T, T, T.

Scitch @ LW4: R(MAGIC V4*), R(MAGIC IV4*), SPX, SP(enchant MAGIC V4*), SP (enchant MAGIC IV4).

ORREAT: Bart has no problems with the Rogues. Moondoggie vs two ghosts (L2/2) at CV4. Amber Rose could block the H Spider in DW6 and prevent it from moving to DW3. Sir Jordan and Robin vs a T Troll and perhaps a H Spider.

DEAD FILE: The Patrol, T Giant, 2 workhorses

Weekend Update: A T. Demon at Cr1, a sixpack of axe-goblins at BL2, a sixpack of spear-goblins at BL5, a Giant and an abandoned treasure at Cr3. Three horses and a breastplate are abandoned at BV5. The Vault is open and still has two treasures therein. Borderland, Pine and Linden Woods are enchanted. All the Rogues are available for hire except R4 and R7. Lancers are at LCF @ LW5. THE BOURSE

Franc Still Favorite
Kroner & Ruble Strong

The Bourse is a game of foreign exchange. Each player starts out with \$1000 American and can invest it in the currencies of the European Great Powers. Each unit of European currency costs its current number of supply centers in dollars. This game is pegged to the results of BORIS VI (on page 4). The game is open to all but players in BORIS VI. Players can buy and sell currencies freely except after a Spring turn (the Bourse is closed to prevent panic selling and rampant speculation). Of course the player with the best net worth at game's end will be the winner.

THIS SEASON'S ACTION

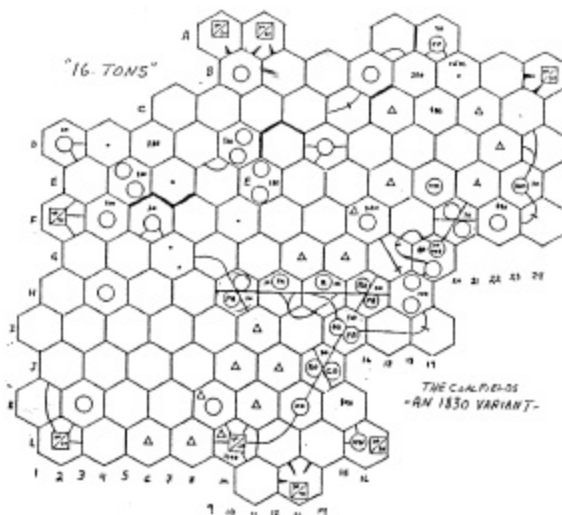

PROG buys 175 pounds and 50 rubles.

Return ballots to: David McGrath, 3636 Oldtown Road, Shawsville, VA 24162

I would like to thank Bob Achison, Ron Cameron, Gary Behren, Fred Davis, Melinda Holley, Garret Schenck, Brad Wilson, and Andrew York for their help, not only for narrow the above ballots down to five finalists in each category but for their input and recommendations on the future of these awards. Their help has been tremendous. If you are so inclined, a donation with your ballot would not be appreciated. This is not expected nor required. In fact, the vast majority do not send a donation. And if this request prohibits you from voting, I am sorry. It is not intended to do so.

Good luck in each finalist. The results will be announced at the 1993 DipCon meeting in California by Ron Cameron, the previous chairman.

RULES

- 1 - The deadline for bids is September 25, 1993. Send all bids to: Douglas Kent at 54 West Cherry Street, #211 Rahway, NJ 07065.
- 2 - Anyone may participate in the bidding. All you have to do is submit a bid on an item (send no money now please). If you are the highest bidder the item will be yours, and you'll be notified when to send the money and how much. You may submit conditional bids on total amount to be spent, or if you win or lose another item. You can't submit conditionals that say to outbid the next highest bidder by an amount of money. This is only a one round auction, so plan wisely. Also, all bids will be secret.
- 3 - In case of tied bids, postmark will decide. If postmarks are the same, the auctioneer will flip a coin or roll a die to determine the winner. Tied bids are extremely rare.
- 4 - All items are postage paid or will have the postage figured into the minimum price.
- 5 - All donations collected will go to hobby services as decided upon by the PDORA Financial Committee. I will receive no money for the costs I incur. No one on the committee is eligible to receive any of the money either.
- 6 - Allow 4-6 weeks after the auction deadline for the item to get to you. The faster everybody gets their payments in to me, the faster I can have the items sent out to the successful bidders.
- 7 - Input is welcome and encouraged.
- 8 - Additional catalogues can be had for a SASE from me.
- 9 - Good luck and have fun.
- 10 - PDORA Financial Committee: Robert Acheson, Jim Burgess, Don Del Grande, Steve Heinowski, Michael Lowrey.
