AVALONCON Board!

As it now stands, Dots and Paul Saunders will be sharing a room again at AvalonCON again this year. Ms Nar will either stay with the Krogler's in central VA or with Lisa Saunders in the DC area (with an occasional loop to Hurd Valley to see the pool). The only other Barker knows is he going to Ward Fowler who will be chained to the EMPRES IN ARMES journey all week.

Congratulations go out to Dan Farrow on his second victory at the HUNT. This leaves a pugil sport for other stayers, but, alas! no immediate candidates since MIA Pitt Crandall's is signed up for most of the games that are nearly full. And we had no response to speak of for HISTORY OF THE WORLD.

STANDBY ALERT:

"Boris XI": France

"Boris XII": Turkey

CRUCUS MAJORIS: Reinier Al Ghul

MAGIC REALM: Fred & Collette DC

Interested parties should send in orders for each position they are interested in. If the present player again fails to submit orders on time, a random drawing will be held.

FRENCH ELECTIONS DUE!! BRITS BOLL!

Fall 1988

ERRATA: France's resolutions should've read: 1A Par-Gad-Hesal, F Bse H, 1A Bcl Hb-777, A Mar-Ecl, A Rcl S A Mar-Ecl, A Pcl Hcl, F Spalcl Hcl, r-777. Turkey also ordered F Ank Hcl, French A BEL can retreat off or BUR. French F SPAlcl can retreat off, LTC, MAR, or WES.

MISEWOOD: Comprehending the chaos of last season's orders to non-existent units, new elections have from French forms in place as M Martinson's government cannot maintain some semblance of order in the pre-election frenzy. In York's Wise & Cheese Party seems to be the most serious challenger, but M Fawley's Moserchist are strong in the northwest. In the East, 'tis clear that Turkey is, at least momentarily, the odd man out.

EMDANDY BEAT

Moscow: The victory for the liberation of SEV celebrated through-out Russia and the expeditionary Armys in the Balkans pledged to go on the offensive to drive the heathen Turks back to the dusty sand-holes they crawled out of leaving the Balkan states of their oppressive bitter coffee and foul-sweeting hookas as they asserted our gallant allies the Balkans in liberating Greece. (plus we get first dibs on prime black sea front properties in Bulgaria).

RIFTS IN TURKEY R/H Rolla!

Spring 1982

XII

1982

MENAS MOGUEL: Sultan Ak Mier has met totally unexpected resistance to his plan to tax 2nd, 3rd and 4th of a progressively increasing rate. An alternative plan, to tax every utterance of the word "tar" (meaning "tax" but pronounced "ber") on the grounds that it invites alcoholism among the multilingual had no hope of being enforced enough to raise the necessary revenue. The chaotic rifts and paralysis of the communication system has cost The Porte dearly. The Chief, Wafiq, Kaiser Kari, and President Bayan all seem to have Perfidious Alliance in their breasts.

TROOP MOVEMENTS

Both Turkish A BER and F BER must retreat with us to COM. If both are ordered to COM, both are destroyed.

Due next time are orders for Fall 1982 and Ptas. Ma Nar cressa Ptas

EMBASSY BEAT

Berlin: The Kaiser government, distressed at the foreign treatment of the Soviet/Russian countries and the conflict in the Baltic states has commissioned a new Embassy in Berlin to serve as a German hub for negotiations with neighboring countries and offered Desawak green naval protection as it did Holland in the fall. The German government pledges to resist the attempts of the other great powers to subjugate the smaller neutral nations of Europe.

BORN WORLD PRESS REVIEW

London Times (Kilbuck): In response to pleas from the Russians, the English forts are engaging in ice breaking operations in hopes of keeping a trade route open between St. Petersburg and London. Plans of Encircling German Beria into Holland and Berlin weigh heavily upon the Soviet/Russian peace. After all, one asks, why a foot in Berlin unless there are designs on the Baltic, and if designs upon the Baltic, why not the North Sea or the Gulf of Bothnia? This building of Beria by the Kaiser only intensifies rumors that he has again become a lackey of the Wormsauce Archduke who is rumored to be an unwelcome constant. After all, why is Marack safeguarded from the detestable Asteroid? Think dear readers and ponder the secretive designs on the continent in regards the sovereignty of the British nation.

BALKAN WORD VI

Turkey Has Last Word

ERRATA: Greece also controlled TIR.

CLIFFHANGER: The game sure lived up to its "fun-paced and vicious" reputation. Dave built up some early momentum and just kept rolling--for other five just couldn't quit stalling each other long enough to slow him any. It would've been interesting to see how it might have turned out if Greece had been fully in play from the start. We have 4 signed up, need 2 more. Map and rules available on request.

TRICKY MOVEMENTS

Turkey retreats FIZH etc.

ALB N Wiles: I feel exactly the same for Rumans starting this one. My initial goal was to get RGA good to eliminate Serbia, then turn on Rumans. I would be the lead power and Greece the sea power while we both moved to 14. Instead, Greece failed on sea. By then it was too late to do anything with Serbia and I felt I had no choice but cooperate with Rumans, hoping he would either let me live or the easterners could slow him down and give me a chance. Nothing worked, Rumans ran straight to 14 and I got eliminated.

I still think Albania and Serbia almost have to be enemies in this version. I should have worked harder keeping the peace with Greece and it might have worked (I did in another game of BW in another area). But that's history now.

Congrats to David on a nice win. My regrets to Phil. Had I known I might have had a AN alliance, even though it would probably have been destined to fail.

My apologies to the others for not writing much. I quickly found myself where it probably didn't center so didn't write.

I'll play again, but not as Albania. I've played this twice, both as Albania. Time to try something else.

REM (Anderson): I win?

REN (McCabe): Signs set up for another.

TUR (Palmer): First congrats to Dave for the win-he just spented all of us right good! I also bow to him for his prowess of Diplomacy-he told me all the things I wanted to hear (and apparently everybody else had and then played the lot of us like a well tuned orchestra to a very convincing victory.

Get 'em up again, buckeye, and I don't want any of that stank! Alb or Ser brands either. Just kidding-its in for a go again.

EMERGENCY BRAT

They...ah...the caravan (Kupans) with gold, spices, gems, and dressed hurbim...no...oh...dressed human gifts...yes...to carry favor and save his own despotic rule...no...his position as regent of Asia Minor and chief Rumanses lucky.

1870 AFTERTHOUGHTS

Hanna I don't think it's possible to win an 1870 game without at least two railroads. And in a 6-player game, it's really tough to run two railroads unless one of them is in the yellow. The hard decision is whether to run down the price of your first railroad or your second railroad. The big advantage in seeing the M&T private is that you can usually start a second railroad early enough to get a decent one.

VOTE! (PLEASE SIGN NAME LEGIBLY) _____

This year the Awards Committee is soliciting a \$1.00 donation per vote to defray costs of the plaques. This is a voluntary donation and does not affect your vote in any way. For the past year or so, committee members have been subsidizing the plaques. Unfortunately none of us would be rich listing the lottery, so we need to go this year. With your donations plus (hopefully) some funds from the PDORA Account, we will be able to keep awarding plaques. If not, paper certificates will be issued. Deadline for voting is August 15, 1998. Return ballots to: Melissa Holley, 1823 Enclave Blvd., Herington WV 25701.

The Hunt

Farrow Wins 4th Chase! And 5th Hunt!

THE HUNT is a word game inspired by James Lipton's book, "An Excitation of Licks", where we propose a noun and the players are asked to propose a collective noun to fit, such as "flock" for "sheep" or "pride" for "lions". Boris and Ma Ma will mark each entry for each word and the best score will be the winner. Each word is a possible 1 point, but the point will be split if other more than one player suggests the word or two or more words are marked equally. The first player to score 10 points wins three free issues of this rag. THE HUNT is run in Chases or rounds. We report the 4th Chase of the 24th Hunt and begin the 5th Chase of the 26th Hunt. Goodfella, is the Hunt!
