## NMRs Abound!

This has not been a good month. Six NMRs in the games I'm running and another in ADV CIV. Four other positions were received well after the deadline. Also the 1830 report didn't make it. If we don't hear from Mark by 21 Oct, the players should send me their orders for Turns 6.1 to 6.3 and I'll try to turn them around quickly for a double move next time.

We have full quora for several games, we just need to open some space. I figure SOURCE OF THE NILE (to be run by Alan Bergender) to take the ADV CIV space that ought to open up in about three issues (so Alan, send me and the volunteers your pbm system and house rules). The 1830 game could be finished soon as we are on the verge of diesels; it will be replaced by either 1835 or 1856. SILVERTON ought to have been over last time, but the players voted to go 24 turns so we must endure another 8 turns.

**STANDBY ALERT!** The following positions are available. Send orders and they might be yours.

"Boris XV": Austria

BALKAN WARS: Serbia

MACHIAVELLI: The Papsy

ADVANCED CIVILIZATION: Assyria or Thrace -- apply to Flint Webb

AIR BARON: ARA and HD.

## BORIS'S BULLETIN BOARD

**THOUGHT FOR THE MONTH:** "Historians have surmised that long, long ago in the early days of th Mesopotamian and Egyptian cultures the first beer was brewed. It was homebrew!" --C. Papazian

Since we have room at the bottom of p 8, I'll do something I've been meaning to do for awhile -- publish game openings in other 'zines. Check it out.

## BOOS & KUDOS

This month's Madame Bolduc Press Excellence Award (and free issue) goes to Sven Vasseur for his MACHIAVELLI press.

This month's Ms Nar Super-Sudsy Bomb is lobbed at Jim Fryling, Phil Reynolds, Ward Nahi, John Ringhoffer, Mark Frueh, and, of course, TJ Klausutis.

**PERSONAL COMMUNICATION HERE (maybe):**

**Deadline for most games is 1800 CST 2 Nov 01**

Spring 1908

The 4-way Draw failed 1 AYE, 2 NAY, and 1 NVR = AYE. It is repropoed.

**MIRKWOOD:** The West has regained MUN and the Sultan is showing signs of smoking too much funny weeds. The stalemate line persists and only a major realignment of the powers is likely to break it, or a timely NMR.

wants to do; a little maneuver to the North and one in the South. Maybe the news of French imperialism is alive and well. We heard the French wanted to spread the French language and its fine arts and cuisine. Germany seems ready to be crushed between the Russian horde and French Frogs. Then there is Austria and England; the game and history is not very kind to these countries. Will they make a comeback? How long will they hang in there? Is there any chance of them getting another army?

Stay tuned to this same Dip channel and same Dip time

**ERRATA:** Italy holds GRE so may build one; Turkey is even.

**MINAS MORGUL:** The French are rushing to join the Crusade against the Infidel, but need to heed the advance of the Russian steamroller. The rump English government maintains some control over its sole army, but Wormtongue cannot even manage that. Germany is the key to thwarting the Russian advance.

#### EMBASSY BEAT

Germany to Russia: As I mentioned before, no communications is a BAD thing.

Germany to All---The Kaiser, while vacationing in the Alps, has announced a unilateral cease fire with the English. He was quoted as saying, "This senseless slaughter must stop. The English forces cannot defend themselves, so that duty must fall upon German shoulders. There are now much greater evils in Europe which must be addressed!"

Italy to France- I will support you into the Ionian in the spring.

Italy to Turkey- I see you are so worried about Russia that you are in the east med instead of the Black Sea.

Italy to Russia - Do you have enough armies in Ausrtia to control the mobs? I suggest you go control the Armenians or maybe go just control the wild turkeys out there.

Look at the swarm of the Russian tide.

The Italians are becoming an empire larger than the Turkish Empire. What is to become of Turkey, the lackey of the Russian horde? France appears as though it cannot make up its mind what it

**KLENDATHU:** The Serbian army has finally broken and is in full rout in the face of unrelenting Rumanian pressure. The Greeks and Turks continue their bickering. Albania is just grateful to be alive.

Greek F CYC must retreat otb or to SPA. Turkish F EMS must retreat otb or to CIL.

Due next time are votes, retreats, builds/tears, and orders for Fall 1915.

**BORIS WORLD PRESS REVIEW**

Turkey to Greece: I've said it before and I'll say it again, publicly, your inability to see reason and cease hostilities has resulted in your war with Serbia and a Rumanian win overall. The outcome could have been different.

Turkey to Rumania: Nicely done. It probably would have been the same outcome if Greece had come around, but at least it would have been a bigger challenge.

Turkey to Serbia: Too bad, it could have been fun trying to slow Rumania down.

Turkey will take those 1.3 to one odds on a Rumanian win in 1916.

got a hold of a thigh, another of the tail. The big fellow shook himself and gave up a big 'toot'! The wolves backed off some, but were soon back and aimed for the neck. Now the mammoth began to feel tired and another one stepped in and continued the fight. The new bull offered the wolves a treaty. Suddenly the fight began to sway. The wolves started to look at each other with suspicion. Who was the leader? Who would ally with the mammoth instead, splitting the former so well-coordinated wolfpack? What was it to win for the individual wolf? A mammoth as an ally? Well, suddenly the mammoth changed shape and took off its disguise. It was another wolf! How extraordinary - what a trick! the other wolves exclaimed and from that point nothing was as it once was in the wolfpack."

## EMBASSY BEAT

Archduke Dave took over today shaking his head. Austria from all reports looks like it is at war with every major power on the board. Leave to Reynolds to do that!!!! So he asked his ministers their advice, one suggested "plead for mercy". Another suggested "offer up your first born" while yet another suggested "offer what was what was underneath your kilt at the wedding". "Excellent idea" the Archduke said I will quickly send them all a pair of my swimming suit. That will appease them. The Archduke sprinted off. The ministers shook thier heads and said "Well, maybe Reynolds wasn't so bad after all".

Florence to the Pope: No problem. Glad to help.

Florence to the Turk: A pleasure doing business with you.

Florence to New Austria (if any): Welcome. Now, prepare to make your exit.

Florence to Venice: One order of support coming up.

Florence to France: More help is on the way.

## ADVANCED CIVILIZATION

Virtually a Three-Way Dead Heat for Second!  
TURN 16.10 THROUGH 17.3

### General Comments:

Having heard nothing from Phil Reynolds this round I am declaring him as having departed the game and as of the end of this adjudication I have returned all but one of his trade cards (2 Hides, 2 Papyrus, 2 Salt and 1 Grain) to the trade decks. His units will remain inert as outlined in Rule 15.6 Early Departures.

Everyone did pretty well getting their orders in this time including expansion orders. Good job. Due one (1) week before the general deadline (that should be November 2nd), Ship Construction (17.4) to Trade Card Acquisition (17.9).

### Corrections:

The Civilization Card total and the victory point total for Iberia was incorrect. It has been corrected in the initial "The Board" section.

### 16.10 Trading

1. Iberia trades Gems 31, Oil 24 + Iron 8 to Egypt for Bronze 1a, Grain 2B + Civil Disorder 1c
2. Iberia trades Resin k, Ivory a + Barbarian Hordes 2m Africa for Grain 2n, Grain 20 + Hides L
3. Egypt trades Wine 2t, Timber h + Ochre 2r to Crete for Cloth 2f, Cloth 2s + Papyrus 39
4. Iberia trades Bronze 1a, Bronze 2y + Spice 1j to Crete for Grain 3g, Timber h + Timber 6
5. Africa trades Dye 1B, Wine 1u + Iron 34 to Crete for Resin 1h, Spice 1j + Hides 3i
6. Iberia trades Hides 2d, Hides 30 + Hides L to Babylon for Grain 1z, Timber 14 + Iconoclasm & Heresy 2p

### The Bottom Line

This is BORIS THE SPIDER, a 'zine dedicated to the play of multiplayer games. BORIS is usually published following the first Friday of the month by Paul & Meg Bolduc, 203 Devon Ct, Ft Walton Beach, FL 32547-3110 and currently has a subscription price of \$10.50 for 12 issues in hardcopy (\$13 in Canada, and \$18 overseas) or \$1 by e-mail. A hardcopy sub will also include an E-mail sub. Make checks payable to "Paul Bolduc". BORIS can be reached at (850) 863-9081, or prbolduc@aol.com. If phoning, expect to be greeted by an answering machine. If we're here, not engaged in an epic computer battle or enthralled in baseball, and recognize your voice, you may get to talk to a real human, so don't hang up upon hearing our recorded message (it changes every power outage).
