## SUBSCRIPTION RATES RISE DUE TO U.S.P.S!

My typewriter is not the best, my typing is not the best, but I am angry. The U.S.P.S. (United States Postal Service) (also known as the United States Pervert Society) is raising its rates to 13¢ first class; EFFECTIVE IMMEDIATELY SUBSCRIPTION RATES RISE TO 11/\$3. FOREIGN SUBS GO AS FOLLOWS: SURFACE 10/\$3; airmail: Send \$3 and I'll find out what you get. GAMEFEE IS STILL \$1 for extra games and traders. Airmail subs to Canada are now 10/\$3.

# 15

2. This issue is one week late due to (1) my mimeo is out of order; (2) a death in the family. Sorry for the delay.
3. THE DEADLINE FOR ALL GAMES HAS BEEN RESET TO January 28, 1976 at noon PST. No Phone calls on The day the moves are due.
4. GAME OPENINGS: We have 6 (six) openings left in our last (the reason the last game we opened in the this issue wasn't the last because we filled a game in this issue) for anyone who doesn't live in Southern California. Please, The next 2 (two) games which I open are filled for the Southern California area. New subscribers contact me about alternate forms of games (NOTE: I will open ~~more~~ another variant game in our anniversary issue (Middle of March; March 19)).
5. Trades. All trades are welcome, provided you plug me at least twice a year, and preferably more. There are exceptions, so generally you don't have to follow that rule, so there are no rules. ANY OVERSEAS PUBLISHERS, I'd like to trade with you (hint, hint).
6. I advise all players to follow Houserule #5. If you don't (note this Diller) your moves will be thrown out.
7. NAPOLEONIC DIPLOMACY IV & V: Lew pulsipher noted my fault on the Napoleonic Diplomacy numbering. Next, NAPOLEONIC DIPLOMACY IV will be in my Anniversary issue, on a 2-page map (minimum). It was unreadable last time, and hopefully it will be readable this time. It is unchanged (as in issue #5 & #6). However, I am working on (slowly) NAPOLEONIC DIPLOMACY V, and that should be out in the fall. We'll be playtesting it soon. By the way, ND IV is not balanced, although ND V is hopefully going to be balanced.

### NEW GAME 1976? (C5L)

Winter 1900

AUSTRIA will pray for an ally, bribe for an ally, and just do anything for one, sacred ally (likely to be England). With Greg Vansteel, 207 Louise, Highland Park, MI 48203 doing the bribing, he might succeed.

ENGLAND will be hardly infamous adfter this game, since Ron Kelly, XX22 Xroom 120...X, 225 Virginia Ave. SE, Washington, DC 20061 will be playing it.

FRANCE will certainly be dieing, excuse me, dying to get another incontinent leader. We'll see What Gary Behnen, 9245 Tea Rose Lane, Crestwood, MO 63126 can do with this position.

GERMANY will again (I know Don that this is the second time, so I didn't give it to you) be played by Jon Pepper, 3542 Meier St, Los Angeles, CA 90066. Best of luck Jon, and good pinball playing.

ITALY will be played by Donald T. Parker, 44 Wexford Rd, DeWitt, NY 13214. I can see Don thanking me for the terrrrific position I just gave him. Your welcome.

RUSSIA will attempt to survive my typing of this tremendously lond address: Jim Diehl, 5008 Normandale Highlands Dr, Bloomington, MN 55437. The Tsar plans to buy Tiffany's new "European Knife Collection"!!!

This is CENTURION, a magazine of Postal Diplomacy and related matters. Subs to this are 11/\$3 (see page #1) and that includes playing in a game of Postal DIPLOMACY. Extra games and games for traders are still \$1. Yv deposits are 50¢. We pay 4 free issues for articles over 1 page, and 2 for those less than that. For permission to reprint articles, write the editor, Russell Fox, 5160 Donna Ave, Tarzana, CA 91356. Diplomacy is a registered trademark for a game invented by Allan Calhmer and copyrighted by Games Research, Inc., ~~500XX~~ Box 18-N, Boston, MA. Back issues (#1-6, 8-14) are available for just 30¢ each.
