CIMMERIA COURIER is intended to be somewhat of a supplement to CIMMERIA.
It will contain moves only, and is produced in order that the games be main-
tained on a semi-regular basis. It will be produced only when CIMMERIA is
unable to be. CIM Courier is being sent to all players and traders only.
It is unavailable by subscription and is being sent free of charge to players.

The DEADLINE for all games is Friday 21 March 1975 by 9 PM my time.
Address all correspondence to: Steve Nozik, A751 Fargo Quad, SUNY AT Buffalo,
Amherst Campus, Buffalo, NY 14261. Phone (716) 636-4617.

I will be in Rochester, NY from Friday the 7th (late) until Sunday the 16th
(early). U/B has wierd vacations... My phone there is 244-1804. Do not send
orders to that address. (in Roch.)

I would like to start another academy game, only the catch is, that I would
like to play in it. Are there any ambitious academy members willing to
undertake the task of gamemastering and/or publishing it? If not, I would
be able to pub it in CIM. I do need someone to GM it though.
