DOWN AT THE MOUTH #17

Hello again, everybody! Lots to talk about in this issue. First off, game openings!!!:

Acquire: Game #3, one signed up. Will continue to open games while there is interest. As there is no number custodian, I will assume that role. I will also rank the people who play Acquire in any zine, as well as print any tournament results that come my way. Then you can all see how well you do nationally.

Diplomacy (regular): 4 signed up, 3 to go. They are Marc Peters, Art Shulman, Gary Behnen, Michael Mingus.

Other items: Downfall At The Mouth's Solmath II 3019 moves are n here, as well as Major Molar, the RRGT, BaMbuti, Odin, Wm. Rasperry and both of the Acquire games. There is also an important hobby announcement from Ron Cameron, as well as bits and pieces from others that you'll not want to miss.

POOLCON: This bugger is really shaping up to becoming something special. People who have made a commitment to making a major effort to arrive sound better than most Dipcons. To name just a few; Larry Botimer, Jason Bergman, Eric and Cathy Ozog, John and Kathy Caruso, the Madlad (co-host) Gary Behnen, Jeff McKee, Susan Welter, Ron Cameron, Larry Peery, Don Williams, Frank Wranovix, and more! Some are still fence sitting, seeing if they can get off work, etc. As you should know, all are welcome to attend. We will play Titan, Acquire, Circus Maximu Diplomacy, Kremlin, cards and anything else you'd like to play. We have a 20' X 40' inground pool surrounded by concrete. The only catch will be that your kids and pets should probably stay elsewhere (very reasonable motel rates within 3-4 blocks). We have found that some people are allergic to kids and pets, so ours will be gone too. Feel free to contact me if you need more information. Poolcon dates are: **AUGUST 3, 4 & 5.**

Thoughts you'd like to know!

Have fun and we'll see you next time with a report on Acquirecon, among other things.

Oh yes!! Let me know how you would feel about game openings in Titan and Kremlin. Details to follow if responses are positive. For choo- choo games, check out Eric Brosius' ark, for anything else, try Tom Nash's **Been There, Done That**, or Pete Gaughan's **Perelandra**.

Erads

Rohan - Elves: I'm still with you - but Gondor is as much of a problem as the Black one

Saruman - Mordor: Yes, no doubt more, but at least is facing opposition. On the other hand yours is capping your loss.

Elves - Strider: I hope you don't think we're greedy just because you can't have centers. Perhaps you think we should share with Mordor?

Rohan - Saruman: You were right all along

Saruman - Gandalf and Umbar: Now maybe you'll listen to me. Remember, I have a palantir too.

Elves - Hobbit: Tra is in lalley, come play in the valley. Old Mister Baggins, come pulling your wagons. (Good rhyme is dying out in the Third Age)

GM - Elves: And your poem is proof of that.

Rohan - World: Sorry about not writing. Vacations and holidays are always bad on me

Saruman prediction: A Lamadon and Faramir to City of Corsairs convoyed by fleet in the bay.

GM to the psychic Saruman: Wow, you really must have a palantir!

Rohan: Jason, did I send you orders before? I can't remember?

Jason: No.

Hobbits to GM - you can't expect us to write all the press like I did last time; as were a little "short" on time

Elf - Rohan: I took Cel

Elf - Sharkey: Where are you?

GM - Elf: That's for him to know and you to find out.

Rohan to Saruman of another game: See, I keep my word. I am an honorable person. Now come clean the stables as this stuff is getting deep. Here's something to get you started -- a toothbrush.

Saruman of another game - Rohan: Yea, whatever.
