VOLUME LV # 19 20

Sept 11, 1971

\$\$ Please do not combine orders with standing orders on the same postcard. The SO are liable to get misplaced.

%% I have been able to divest myself of some of the things interfering with my Gamemastering, plus I have completely updated and organized so that I should be able to adjudicate moves faster and better. This in turn will allow me to offer Early Bird deadlines-----

##\$ This is the announcement of the future publication of GAILLARDIA. GAILLARDIA will be an interim zine, used for Early Bird Deadlines, games with two week moves, etc. and any other miscellanea necessary.

%__ All propaganda must herewith be typewritten until further notice; i.e. as long as I have to use the xerox and must type myself, I'm taking the easy way out, by using what you send rather than retype it myself.
