
The Diplomacy Tribune

VOLUME 1

← → MAY 1989 ← →

NUMBER 2

The Runestone Poll '89

In this, the second issue of the Trib, is the Runestone Poll. It's all pretty self-explanatory, and most of you have seen it before. The Trib is not listed and is not eligible for votes as no one could have seen at least two issues since 8/88. But we'll be there next year!

On the back side of the poll is a pledge sheet in which the proceeds will go to The American Heart Association. It is also pretty self-explanatory, and it's for a good cause!

World Diplomacy

The Trib will be running one game of John Armstrong's variant World Diplomacy. I am playing the United States in a game he is GMing and I must say I am very impressed with the game. I plan to start the game in the July or August issue and will post the rules & house rules in the issue prior.

The Trib offers a map for use in World Diplomacy that measures approximately 3 foot by 4 foot for \$4.00 each. Tips on making color coded playing peices are included.

TRI0589A (STD DIP)

The Trib's first game of Diplomacy has a full compliment of players. They are:

Austria-Jim Diehl
England-Terry Lachcik
France-Bob Sweeney
Germany-John Armstrong

Italy-Joe Santella
Russia-Jim Green
Turkey-Richard Weiss

The Deadline for this game's Spring 1901 moves is: June 1st 1989.

INSTRUCTIONS: You may rate any amateur publication related to the Diplomacy hobby of which you have seen at least two issues since August 1, 1988 (or should have seen had the zine been on time). Rate each zine on a scale of 0 (the pits) to 10 (outstanding). No fractions, please. Do not rate your own publication. Please rate North American zines only, though readers living outside North America are welcome to participate.

Send this ballot to: Bruce Linsey, P.O. Box 1334, Albany, NY 12201 (USA)
or: Eric Brosius, 41 Hayward Street, Milford, MA 01757 (USA)

Deadline will be about the end of June (probably), but please vote early.

TO GET THE POLL RESULTS: For main lists only (zines, subzines, and GMs), check this space and enclose 50¢.

To get The Cream Shall Rise!, check this space and please enclose a donation of \$3.00 or more. (See my blatant self-plug in the bottom right...)

36 INSTRUCTIONS: The same as for the Zine Poll -- 0 to 10 scale, do not rate your own publication, etc.

THE GM POLL

Please list GMs alphabetically by surname, going down the columns. Diplomacy GMs only!

Vote	GM's Name	Vote	GM's Name	Vote	GM's Name

_____	_____	_____	_____	_____	_____
_____	_____	_____	_____	_____	_____

INSTRUCTIONS: You may rate any Diplomacy GM in whose postal game(s) you were a player at any time after August 1, 1988, and under whom you played for long enough to gain an objective assessment of his or her competence as a GM. Gamesmasters may not rate themselves. Rate each GM by name, not by zine.

Again, the rating scale is from 0 (the pits) to 10 (outstanding). No fractions, please. Rate North American GMs only, though any players living outside North America are welcome to participate.
