First, will Richard Kovalcik, jr. Room 304, Bexley Hall, 52 Massachusetts Ave., Cambridge, Mass. 02139 please submit standby moves for Italy?

Harry Drews and Charles Schandl both inform me there will be another of Canada's goddamned postal strikes. If it lasts so long neither of them can get their moves in, we will delay the fall 1903 moves. Otherwise the deadline is noon, Friday, October 31, 1975.

Abyssinia,

Robert Bryan Lipton
