

This is Everything You Always Wanted to Know About Diplomacy\*, the official journal of the Boardman Numbers Custodian. The Boardman Numbers Custodian and editor of EVERYTHING is Doug Beyerlein, c/o Hydrocomp, 1502 Page Mill Road, Palo Alto, CA 94304, U.S.A. My phone number is (415) 493-3891. The publisher of EVERYTHING is John Weswig, 2115 N.W. Elder St., Corvallis, Oregon 97330, U.S.A. The associate custodian for the U.K. is Richard Walkerdine, "Cheriton", 15 Crouch Oak Lane, Addlestone, Surrey, KT15 2AN, U.K. Marie Cockrell will soon be co-custodian.

NOTE my new address above. This is my office address. Effective immediately, all zines should be sent to this new address. Sometime prior to the next issue of EVERYTHING I will be moving from my apartment on Curtner Avenue. First class mail will (usually) be forwarded, but most zines don't look like first class mail and therefore sending them to my office is a safe alternative. So consider yourselves warned.

As most of you have probably heard by now, Marie and I will be getting married on April 26. The following week will be spent on a honeymoon far from phones and mailpersons. So communication from me in late April and early May will be minimal to an extreme. Also, because of all of these happenings EVERYTHING #21 will be delayed, probably until the first of June or so. That issue may be a double issue (i.e., two ounces worth) or #22 may come out only a month later. In any case, I am aiming for six issues out this year to maintain the bi-monthly schedule.

I need to trade with all publishers who conduct regular games of Diplomacy in their zines. Trades should be sent to me (Doug Beyerlein) and not to John Weswig. Some of you people missed that notice in the last issue. Please correct.

See the last page for information on subscription rates.

Some people find this hard to believe, but Conrad von Metzke has not sent me any Numbers-related material since November. If you sent him game results sometime in the past and they have not been printed in EVERYTHING, don't ask me about them. If you send the info to me it will get printed (assuming that it is complete), although at the moment we are suffering under a small space shortage. That will hopefully be resolved by issue #22. But don't blame me if you sent something to Conrad and I know nothing about it -- because I don't.

I keep track of the zines I receive as part of my records. It also lets me know which publishers are or are not trading or publishing regularly. Below is an update of my trading list from issue #19.

Current traders: Conrad von Metzke, John Boardman, Robert Ward, Rod Walker, Len Lakofka, Chris Schleicher, Andy Phillips, Greg Warden, Walt Buchanan, Michel Feron, Herb Barents, Tom Leahey, Bernie Ackerman, Burt Labelle, John Boyer, Paul Wood, Edi Birsan, Joseph Antosiak, Graham Jeffery, Richard Walkerdine, Jim Benes, John Leeder, Mike Bartnikowski, Mick Bullock, Don Horton, Duane Linstrom, Howard Johnson, Les Pimley, Steve Nozik, Don Pitsch (no longer publishing), Robert Lipton, Randolph Bart, Dan Gallagher, Duncan Morris, Peter Shamray, Steve Mirassou, Dan Gorham, Michael Rocamora, Jim Bumpas, Ron Melton, Al & Tom Burkacki, Roland Prevot, Robert Correll, Anthony Kniaz, Michael Lind, Francis McIlvaine, Douglas Reif, Len Scensny (no longer publishing), Joel Klein, Don Efron, Raymond Heuer, Richard Loomis, Gil Neiger, Doug Ronson, Scott Rosenberg, Steve Solomon, Dave Kadlecek, David Truman, Bruce Schlickbernd, Michael Homeier, Peter Berggren, Robert Sacks, Tony Watson, Ed Kollmer, Richard Kovalcik, Dave Head, Randolph Smyth, Laurence Gillespie, Nicholas Ulanov, Warren Wyman, Dave Staples, and George Phillies. 1972L,M,T,BL,BM,BT,CF,CW,DB,DO,DQ,DR,DY,EE,EK,EL,EM,GA,GB

Finished Games held over to next issue because of lack of space:

1974K,M,BB,CK

Richard Walkerdine supplied the results for the following U.K. games in this issue:

1972BL,EK,GA,GB

The following games are finished, but as of this time I have incomplete records on each:

1969A  
1971AY  
1973AP

The following finished games are irregular or local and will be published in the next issue (space permitting):

1962A  
1967BF,BG  
1972EF,EX  
1973BR,EM,EX,HT

The following games have been abandoned by their gamesmasters and are not viable to transfer to new homes:

1973BT

Corrections in results reported in #19:

1973FY: Hullah dropped, not resigned  
1901 E 4\*  
1902 G 6\*  
1903 G 4

Special notation:

\* - one unit short of the center total after winter adjustments  
# - one unit extra over center total after winter adjustments  
(this actually should never happen and is a gamesmaster error)  
(1974XX) - the parentheses around a Number designates that the game is either irregular or local

//continued from page one//

Questionable trades (i.e., I have not seen a zine in at least two months) are: Don Miller, Hal Naus, Fred Davis, Mike Worthington, Gordon Anderson, John Hulland, and the Lilliput Gang. If nothing comes from you by press time next issue this is your last issue of EVERYTHING. Sorry.

People who are conducting regular games of postal Diplomacy, but who do not answer my requests to trade are: Charles Reinsel, Larry Peery, Jeff Key, Steve Marsland, Stan Wrobel, James Massar, John Biehl, John Coleman, John Morgan, Randy Christopher, Kevin Slimak, Ernie Melchior, and The Underground. I would advise against playing in zines published by these people.

The last thing from me for this issue is again the requirements for receiving a Boardman Number for a regular game of postal Diplomacy. They are: (1) the name of the zine in which the game is conducted, (2) the name of the gamesmaster for the game, (3) player country assignments (both first and last names), and (4) the addresses of the players. Numbers will be assigned as quickly as possible, but unavoidable delays do occur. If you are in a real hurry, call me for a Number.

See you by June (hopefully).
