

This is Everything You Always Wanted to Know About Diplomacy\*, the official journal of the Boardman Numbers Custodian. The Boardman Numbers Co-Custodians are Doug and Marie Beyerlein, 240 Hawthorne, Apt. F, Palo Alto, CA 94301, U.S.A. Our phone number is (415) 329-8034. The editor of EVERYTHING is Doug Beyerlein. The publisher is John Weswig, 2115 N.W. Elder St., Corvallis, Oregon 97330, U.S.A. The associate custodian for the U.K. is Richard Walkerdine, "Cheriton", 15 Crouch Oak Lane, Addlestone, Surrey, KT15 2AN, U.K.

NOTE my newest address above. This is where Marie and I are now living and all mail should now be sent to this new address or to my office address, listed last issue. There is no guarantee that zines sent to my old apartment address will be forwarded by the Postal Service, so for the few who are still using the Curtner address please correct.

Believe it or not, I survived about a three week absence from the hobby. When Marie and I returned from the honeymoon there was a ton of mail awaiting us. I have completely caught up on all of the zines that arrived while we were away and the ones that have come since. Thus, there are plenty of game reports in this issue. What I have not caught up on is other correspondence. So if you have written to me about something and have heard nothing in reply you know what the problem is. But I am trying.

We managed to squeeze in all of the game reports into a regular size issue, but some other things had to be left out. Therefore, in issue #22, which will be out July 1st to get back on schedule, I will finally print the results of irregular or local finished games plus probably some commentary on what a couple of publishers think of how I am handling things as custodian. So #22 will be a bit different from the bare statistics of past issues.

Below is the current status of the publishers I know of in the hobby, as updated from #20.

Current traders: John Boardman, Robert Ward (no longer publishing), Rod Walker, Hal Naus, Don Miller, Len Lakofka, Chris Schleicher, Andy Phillips, Greg Warden, Walt Buchanan, Herb Barents, Tom Leahy, Bernie Ackerman, Burt Labelle, John Boyer, Paul Wood, Edi Birsan, Fred Davis, Graham Jeffery, Richard Walkerdine, Jim Benes, John Leeder, Mike Bartnikowski, Mick Bullock, Don Horton, Duane Linstrom (no longer publishing), Steve Nozik, Robert Lipton, Randolph Bart, Dan Gallagher, John Hulland, Duncan Morris, Richard Scott, Peter Shamray, John Mirassou, Randy Christopher, Dan Gorham, Michael Rocamora, Jim Bumpas, Richard Sharp, Al & Tom Burkacki, Roland Prevot, Robert Correll, Anthony Kniaz, Michael Lind, Frank McIlvaine, Douglas Reif, Joel Klein, Don Efron, Raymond Heuer, Richard Loomis, Gil Neiger, Doug Ronson (no longer publishing), Scott Rosenberg, Steve Solomon, Dave Kadlecek, David Truman, Bruce Schlickbernd, Michael Homeier, Peter Berggren, Tony Watson, Lilliput Crowd, Ed Kollmer, Richard Kovalcik, Dave Head, Randolph Smyth, Michael Friedman, Laurence Gillespie, Warren Wyman, Dave Staples, George Phillis, Walter Luc Haas, Ake Jonsson, Dennis Brackman, Russell Fox, Steve Cook, Peter Birks, Bob Hartwig, Roger Oliver, Bob Grossman, and David Holmes. I have received at least one issue from each of the above since March.

Questionable traders (no issue since March): Conrad von Metzke, Michel Feron, Joseph Antosiak, Mike Worthington, Howard Johnson, Les Pimley, Ron Melton, Robert Sacks, and Nicholas Ulanov. If nothing comes by 1 July this is it.

Refuse to trade: Charles Reinsel and John Coleman.

Apparently no longer publishing: Larry Peery, Jeff Key, Steve Marsland, Stan Wrobel, James Massar, John Biehl, John Morgan, Gordon Anderson, Kevin Slimak, Ernie Melchior, and The Underground.

Space is tight, so that is all I have to say for this issue. Remember the new address, and send trades to me (Doug Beyerlein) and not to John Weswig. See you in a month. -- Doug Beyerlein

1974 BOARDMAN NUMBERS UPDATED:

When I took over the Boardman Numbers from Conrad von Metzke last fall there were a number of games started in need of a Boardman Number. In answering all requests I made the mistake in a number of cases of assigning a Number to a game which already had a Number assigned -- but Conrad never notified the gamesmaster. Most of these mistakes were corrected when I typed up the list of Boardman Numbers assigned since EVERYTHING #18 in issue #20. However, a few slipped by. Thus, there were some blanks in Numbers assigned in #20 and 1974FF and 1974GG were reassigned and listed twice. Since issue #20 corrections and reassignment of Numbers has continued and below are the corrected info for 1974FC,FF,FW,FX, and GG.

Special notation:

- \* - one unit short of the center total after winter adjustments
- # - one unit extra over center total after winter adjustments (this actually should never happen and is a gm error)
- (1975XX) - the parentheses around a Number designates that the game is either irregular or local
