

This is EVERYTHING YOU HAD ALWAYS WANTED TO KNOW ABOUT POSTAL DIPLOMACY BUT HAD BETTER SENSE THAN TO ASK #35

Welcome, people, to the first edition of Everything, etc, under the auspices of Calvin C White, the seventh person to hold the dubiously honourable position of Boardman Number Custodian. I live at 1 Turnberry Avenue, Toronto, Ontario. My CORRECT postal code is M6N 1P6. Various other persons also into this shtick are: ABNC for UK - Mr Mick Bullock of 14 Nursery Ave, Halifax, Yorkshire, HX3 5SZ, UK; ABNC for Canada - Mr Doug Ronson of Room 305, McNeil Hse, Queen's U, Kingston, Ontario, K7L 3T8 Canada; ABNC for CE, Mr Roland Prevot of 16 rue Descombes, 75017 Paris, France. Troubleshooter extraordinaire is Mr Walter Buchanan of RR#3, PO Box 324, Lebanon, IN 46052 USA. Statistics nut is Mr Russell Fox of 5160 Donna Avenue, Tarzana, CA 91356 USA.

1- This is the format that you will have to get used to. Aside from the chance of the odd experiment with mimeo, things will stay pretty much the same as you see here. I hope to have room to put a bit more in in the way of an editorial page, but not this issue. You see, space isn't too much of a consideration. I can mail 28 pages third class as cheaply as 2 pages; ie 10¢ (Although this will go up in April to 12¢. (##%\$@!) The only difference is in supply costs.

2- I will be in Las Vegas from Dec 19-26. If you're in the area look me up. I'll be at the Holiday Inn downtown, right across from Caesar's Palace.

3- My other zine, Electra Glide Blue, is not available to any of you by trade. If I sent you both Everything and EGB I'd soon go broke. You are, however, welcome to sub. That reminds me. Does anybody object if I give the occasional plug in Everything? Deserving zines only, of course. ~~Like/EGB/~~

4- Corrections to the Everything #34 game reports:

75JF as reported last issue should be 75IF.

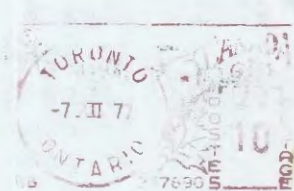

76CO: Comment- fake game. Some people have nerve, I tell you...

I am experimenting with various formats this issue in an attempt to get as many games in as little space as possible. The format above is the same as used by Mick Bullock in The New Statesman, the UK equivalent to Everything. For the next couple of pages I will use Doug Beyerlein's format from previous Everything's. Anybody have a preference?
