

This is Everything You Always Wanted To Know About Diplomacy*, the official journal of the Boardman Number Custodians, Dennis and Bernadette Agosta. Our address is 14 Shadyside Avenue, Dumont, New Jersey 07628. The editor and publisher of EVERYTHING is Bernadette Agosta. The Associate Custodian for the United Kingdom is Mick Bullock, 14 Nursery Avenue, Halifax, Yorkshire, HX3 5SZ. The Associate Custodian for Central Europe is Roland Prevot, 16 Rue Descombes, 75017, Paris, France.

Many thanks to those of you who have been so patient in awaiting this, our first issue of EVERYTHING. Included in this issue are corrections to game starts from issue 40-41, and most North American game starts and finishes not yet reported. I do have a lot of starts and finishes for the United Kingdom and Central Europe which I will publish shortly. But since they have all been reported elsewhere, this issue is devoted to North American games only.

Subscriptions are available on a per page basis. The rates are 10¢ per legal sheet (which should contain the equivalent of four 8 x 11 sheets) plus postage. I believe that I can send 4 legal sheets in an envelope for 15¢. The cost for this issue will be 80¢ plus postage (if mailed) to the subscribers. About trades, I will trade EVERYTHING with any diplomacy zine. However, Dennis' zine COMMAND will not be traded to other publishers who publish multi zines. It is separate from EVERYTHING and the Boardman numbers.

Effective immediately, we will not do any BN business over the phone. All correspondence must be sent to us at the address listed above. My apologies to any of you who have written to us and, for one reason or another, have not received any response. Hopefully, this will not happen after this issue is out, but with the backlog of work, I devoted most of my time to the game starts and game ends, and the correspondence suffered because of it.

YOUR HOROSCOPE

AQUARIUS (JAN. 20-FEB. 13)

You have an inventive mind and are inclined to be progressive. You lie a great deal. On the other hand you are inclined to be careless and impractical causing you to make the same mistakes over and over again. People think you are stupid.

PISCES (FEB. 14-MAR. 20)

You have a vivid imagination and often think you are being followed by the CIA or FBI. You have minor influence over your associates and people resent you for your flaunting of your power. You lack confidence and are generally a coward. Pisces people do terrible things to small animals.

ARIES (MAR. 21-APR. 19)

You are the pioneer type and hold most people in contempt. You are quick-tempered, impatient and scornful of advice. You are not very nice.

TAURUS (APR. 20-MAY 20)

You are practical and persistent. You have a dugged determination and work like hell. Most people think you are stubborn and bull-headed. You are a communist.

GEMINI (MAY 21-JUNE 20)

You are a quick and intelligent thinker. People like you because you are bi-sexual. However, you are inclined to expect too much for too little. This means you are cheap. Geminis are known for committing incest.

CANCER (JUNE 21-JULY 22)

You are sympathetic and understanding to other people's problems. They think you are a sucker. You are always putting things off. That is why you'll never make anything of yourself. Most welfare recipients are Cancers.

LEO (JULY 23-AUG. 22)

You consider yourself a born leader. Others think you are pushy. Most Leo people are bullies. You are vain and dislike honest criticism. Your arrogance is disgusting. Leo people are known thieves.

VIRGO (AUG. 23-SEPT. 22)

You are the logical type and hate disorder. This nit-picking is sickening to your friends. You are cold and unemotional and sometimes fall asleep while making love. Virgos make good bus drivers.

LIBRA (SEPT. 23-OCT. 22)

You are the artistic type and have a difficult time with reality. If you are a man, you are more than likely queer. Chances for employment and monetary gains are excellent. Most Libra women are good prostitutes. All Libras die of venereal disease.

SCORPIO (OCT. 23-NOV. 21)

You are shrewd in business and cannot be trusted. You shall achieve the pinnacle of success because of your total lack of ethics. Most Scorpions are murdered.

SAGITTARIUS (NOV. 22-DEC. 21)

You are optimistic and enthusiastic. You have a reckless tendency to rely on luck since you lack talent. The majority of Sagittarians are drunks or dope fiends. People laugh at you a great deal.

CAPRICORN (DEC. 22-JAN. 19)

You are conservative and afraid of taking risks. You don't do much of anything and are lazy. There has never been a Capricorn of any importance. They should avoid standing still too long as they tend to take root and become a tree.
