

EVERYTHING 43

This is the official Journal of the Boardman Number Custodian, who is; Lee A. Kendter, 4347 Benner St., Phila., Pa 19135

Associate Custidians are;

Mick Bullock, 14 Nursery Ave., Halifax, Yorkshire, HX3 5SZ. England

Roland Prevot, 16 Rue Descombes, 75017, Paris, France

Mick and Roland handle all games in the United Kingdom and Central Europe respectively.

This,, my first issue of Everything, will bring game starts and finishes as up to date as I possibly can. I will publish only North American games in here for the time being. All European and UK games are in publications by the associate custodians, so if you are really interested in those, I suggest you write to those gentlemen.

Policy statement. I am going to try and bring you an issue of this every 4 months. I will publish more frequently if the material at hand warrents it. My first order of business will be to catch up on all of the unpublished starts and finishes. I have letters from some of you asking about errors, irregular games, missing games, etc. I will get to those as soon as I possibly can, but I felt that my priority was to get this issue out. As you will see by the size of this issue there was a bit of an unpublished backlog.

I am asking for a \$1.00 donation for all number requests, I feel this is necessary to offset my costs of publishing, mailing etc. This is not manditory, but I really will appreciate it.

Anyone inquiring about BN business other than a number request is asked to send an SSAE.

Subscriptions to Everything are 2¢ a page plus postage. If you send me your 'zines regularly, I consider that an even trade for this.

I will not do any business regarding the numbers over the telephone. All requests must be mailed to me.

Finally, I would like to deal with the status of the information that I have on hand. Bernie Agosta brought me all of the materials in good order. She made it possible for the transition to go rather smoothly, ans I wish to express my warmest thanks to her for that. However, I do not have back issues of Everything, I do not have back issues of 'zines, nor are the files prior to Bernie Agustas' custodianship in good order. Therefore, a lot of questions that have already been asked of me are unanswerable! Also, I can not accept your copy of a game finish for this 'zine. I must have a xerox, or original, of the game in question. Many games are simply not being reported to the BNC, and I have very little control over this.

I welcome your support in the endeavor, and thank you all who had kind words to say to m.

CONTENTS: Page 2-Errors, Sub status, List of games reported this issue.
List of games on hand, games with problems, trade status.
Pages 3 thru 8 game starts
Pages 8 thru 20 Game finishes

IT IS IMPORTANT THAT ALL OF YOU READ PAGE TWO !!

O.K., here's where I start explaining the status of how and why this issue is coming to you.

- 1) You are listed as a TRADER on the records transferred to me. About 50% of the 'zines listed on my trade list have already sent me an issue. I have not heard at all from the others. There are several names on the list that I know have ceased publishing. I am removing them from the list at once. Many of the others I know nothing about, but they will receive this issue. However, if I do not hear from those people within a reasonable length of time I will remove them from the trade list.
- 2) You are listed as a SUBBER to Everything. If so, your current balance is _____. (minus this issue, 68¢). If this disagrees with your records, and you can prove otherwise, I will correct this. Remember, I only have the records as they were passed on to me, and I must accept them as accurate.
- 3) You are a new publisher that I'm aware of, and you were not on the last BNC's list. If you wish to receive future issues of this 'zine, I will expect to hear from you soon.

Next, Misspelled names and the like.

I am working from mostly HANDWRITTEN material. Most of it is quite clear, but some of it is not. If I have misspelled your name, or the name of your 'zine, etc, it is because I had to interpret some unclear handwriting. Bring this to my attention and I'll print a correction next issue.

NO ! This has nothing to do with Why Me, my gamezine. That is separate from this, and you do not receive it part of your trade with this 'zine.

ERRORS FROM LAST ISSUE.

1976 EN: The original English player was Budke, not Bunke .

1978 HU: The GM is Benes, not "Twiddie" as reported. This was a joke name used by the GM.

Games on hand (finished) but not reported because of problems.

1973 FD, 1974 FW, 1975 AR, 1975 IJ, 1976 CT, 1977 CU, 1975 HN, 1977P, 1974 FK, 1975 HH, 1975 W. I will try to get these straightened out by next issue, and report as many of them as possible.

Finished games reported this issue

1974 FL, GA, GV

1975 AH, EY, HG, HM

1976 BR, BY, CD, DS, EG, II, IK, JC

1977 M, Q, T, AA, AP, AT, CF, CS, FJ, HC, HD, HP, IO, IQ, IV, IX, KE, KF**, KG, KM, KQ, KR, KT, KU, KX

1978 A, C, E, AC, AK, AS, AT, CA, CE, CN, CS, CW, FD, FI, HQ, HT, HY, IB.

** 77KF: After typing this all up, I noticed that this game was marked as a win, but the winner only had 16 centers. I assume this is a win by concession, but if any of you know for sure, would you please let me know?

Finished games on hand, but not included in this issue.

1974 I, GQ, 1975 EQ, 1976 DV, 1977 AV, 1978 EF, ID, IG, IH, IS, IX, 1979 E, H, L. All of these will be in next issue.

OK, there you have it, my first issue. Comments pro & con are most welcome. I will try to improve any area that you feel needs it.

Yours, Lee

OK folks, I'm going to stop here and get this thing out! There are more finishes on hand, but I feel it important to get out an issue so that you all know I'm the new custodian. I just got a package of 'zines from Bernie Agosta today, so it's obvious that a lot of you still don't know of the change. Also, this keeps it under the 2 oz limit. There will be another Everything in about 4-6 weeks. See ya.
