

EVERYTHING #47

March 1, 1981

This is the official journal of the Boardman Number Custodian, who is:
Lee Kendter, Sr., 4347 Benner St., Philadelphia, PA 19135.

It is edited and published by: Robert Sergeant, 3242 Lupine Drive,
Indianapolis, IN 46224.

Associate Custodians:

Roland Prevot, 10 Parcd'ardenay, 91120 Palaiseau, France.

Mick Bullock has resigned as A.BNC for UK. The new Custodian is not yet known.

From Lee Kendter:

HOW ABOUT THAT \$1.00 DONATION?

If you are one of those super people who always send me money, you can stop right here; this is not directed at you. I am appealing to those publishers who never contribute to the Numbers operation.

The cost of operating this service is much higher than most of you are aware of. Unless all of you contribute a fair share, the numbers will not have sufficient funds with which to operate. So, can I count on those of you who never contribute to chip in once in a while?

THANKS.

BACK ISSUES:

The following are available from Lee Kendter:

#42-75¢, #43-68¢, #44-35¢, 46 - 51¢, 45 is out of print.

From Bob:

This will be my last issue of Everything. I simply don't have the time for this or for many of my other hobby involvements. The Postal Tourney, which is still running, and Saint George and the Dragon will be largely my only hobby involvements for some time to come.

Lee has found a successor, so there will be no big problem in transition. I will not announce who my replacement is, I think he and Lee will make the news known.

I do wish to add my voice to Lee's plea above. I think we all saw when Cal White had the numbers how fragmented the hobby can become without regular reporting of the game starts and finishes. But you cannot expect either Lee or the publisher to absorb the cost of this reporting. The numbers are what makes Diplomacy a hobby group, rather than a bunch of individuals playing a game. I urge you to give Lee your monetary support.

All materials will be turned over to Lee, so copies of #46 & 47 will be available from him.

I am not sure how much this issue will cost to print, so I am leaving this space blank 00¢.

If you are a subscriber, you have _____ remaining of your sub fee.

ERRATA:

#45:1979FC should have been listed as 1978FC; the GM was using the wrong number.

#46:1975AY was really 1975IN and both games are already reported.

1980IN is not irregular.

1977CG is irregular.

The player chart for 1976JG; original GM was Jonathan Reich. The missing player names are: R:Tom McNally, I:David Ross, G:Thomas Bray F:David Hoffman(dr F'01) then Dave Fujihara.

For 77C R: Roli Luchs, G:Bill Farrel. Information for the last two thanks to Mark Berch.
