From Don Ditter:

This is the first issue of EVERYTHING published since I took over as BNC. It is largely Lee's remaining compilation of game finishes and starts. I am just now getting my feet on the ground, but I have some general observations on how I expect to run the Numbers:

- 1) Responsibilities: Bern Sampson is the publisher of EVERYTHING. All game starts and finishes are sent to him by me. All BNC business should be sent to me. This includes all matters relating to the BNs, all sub requests and all trades. (Although I'm sure Bern would appreciate an occasional good word on his outstanding publishing skills.) ((Sure 'nuff-Bern))
- 2) Trades: EVERYTHING #49 is being sent to all those who were on Lee's list of trades. Starting with #50, it will be sent to those on MY list of trades. So if you're not sending your zine to me, you will not receive #50. I will prepare a traders list next issue.
- 3) Subs: Your sub balance is listed below. If that balance is below \$1, I suggest you send me more money. Again the subs are Lee's list. If you subbed recently (to me) your balance will be given next issue. I will prepare a subbers list next issue.
- 4) Publishers NOTE: If you send me a zine with a start or finish in it, PLEASE note on the outside of the zine that such is contained. In paging through a zine it's very easy to miss something. Also, anything you'd like me to note, please say so on the cover. Another suggestion is to list all games you are currently running on the zine's heading. This is extremely helpful to me and the readers. Thanx.
- 5) Financial: I will prepare a financial statement next issue. I will also recognize contributions I receive, some of which are very generous. I encourage everyone to enclose a \$1 contribution when requesting a gamestart- or at least a SSAE.
- 6) The Close: There are a lot of other topics I want to talk about, but I'll hold them off for future issues. I greatly appreciate all the "best wishes" that have been given to me. I hope I can fill the shoes of my predecessors who have made the BNs an institution in the hobby. See ya in two months.
