This is the official publication of the Boardman Number Custodian,

~~Alain Henry, Rue des Guillemins 39, 4000 Liege,
 BELGIUM (New Custodian -- Welcome Alain!!)~~

For those of you still sending mail to Connecticut, please note my 3 month old change of address. Let me get all the requisites out of the way - EVERYTHING is a zine, published every three months, to record game starts and finishes in the North American Diplomacy hobby. The cost to sub is \$0.03 per page plus postage. Since Bill Quinn determines the cost of the zine after I send him this page, I have charged all subbers \$1.00 for this issue. Your sub balance will be adjusted next issue for any differences between \$1.00 and the actual cost. So Bill has something to fill in, the actual COST is: *970*

I have decided to start looking for my successor as BNC. I have been performing this task for two years come May and I think it is time for new blood, with renewed ambition to take over. Page 2 contains more details -- PUBBERS please publicize this.

I was extremely pleased with the publishing job Bill Quinn did last issue. Typing game finishes is very tedious, exacting work and Bill performed it beautifully. His data base will be an invaluable addition to Diplomacy history and I think the stats he will generate will be extremely interesting.

PUBBERS: Please continue sending all trades, game starts and finishes, inquiries, etc. to me. I will complete EVERYTHING #56 and announce the new BNC there. Included with this mailing is a flyer of the Dipcon Society which discusses DIPCON XVI. On the reverse is information about the Ombudsmen Service System. This flyer is for your information - feel free to quote from it for your readers.

CONTENTS:

BNC Comments	page 1-2
Financial Status	page 3
Game Starts	page 4-5
Game Finishes	page 5-17
Diplostats	page 18-21

I am not sure if DOGHOUSE will appear in this issue. John Daly may be much too busy finding homes for the Just Among Friends orphans to complete DOGHOUSE. I know he has a lot to report and I expect his report in EVERYTHING #56 will be a long one. Keep up the fantastic job, John - we all appreciate the efforts you put in and the results you get out of this service!!

The next page shows the financial status as of 2/1/83. The balance is quite healthy and should get us through until Dipcon XVI. A couple of notes about the statement: the contributions were large because Dipcon XV entry fees as well as some late Gencon entry fees came on the books. Also generous 'no strings' contributions were made by Mike Barno, Gress Fritz and Steve Knight -- thanx guys! Doug Beyerlein was good enough to copy all of the back issues of EVERYTHINGS that he published, as well as the finished game reports from Conrad von Metzke issues (#1-18) and TERMINUS. I now have a complete set of endsame reports for all North American Diplomacy games. This file will be transferred to the next and all subsequent BNC's so they can get a flavor of the people and work prior to their appointment. They really are quite interesting reading.

OK - now a word about the job of BNC. Each month I receive a copy of almost every zine in print - most pubbers lose money on the trade, but are willing to do so to help me do the job easier and cheaper. I carefully scan through each zine looking for game starts and finishes. Some pubbers write notes on the jacket that help a lot in my not missing anything. I also read most articles, editorials and letters, as well as follow some games in the zines. This allows me to stay in touch with what's happening in the hobby and address problems that arise concerning a game. Game start requests must be checked for completeness and recorded in the BNC start book, a notice must be sent to the GM informing him of the Boardman Number in a timely manner (ie: within 2-3 weeks). Game finishes must be checked for possible irregularities, completeness and correct supply center counts. If a discrepancy or problem crops up, letters must be written to clarify the situation or obtain the missing data.

As BNC you become involved in a few political and/or organizational discussions. It seems this is so because you get involved very deeply in the hobby and its goings on. Also the BNC must handle the issue of unrateable (irregular) games which has an explosive potential. The BNC must be very fair and evenhanded in these matters, and he must be able to rationally settle a disagreement without getting bent out of shape and begin fueding with a player or GM. I look upon the BNC's duty in this aspect as that of a Judge who looks at the facts and makes a decision based on those facts.

Additionally you must keep track of which games are in progress, where they are housed and whether they are transferred or abandoned. There's something waiting to be done almost every day. To do the job right requires 10-20 hours per week and that does not include typing or publishing the zine which is thankfully done by Bill Quinn.

In summary this is a lot of work, so keep this in mind before volunteering. I will accept anyone who believes he would like to tackle the work, I will screen the applicants and decide before May, 1983 who my successor will be. I will complete EVERYTHING #56 where I will announce who the new BNC is. All materials will then be forwarded. I hope I haven't scared everyone off with the above description. There is also a good deal of enjoyment and feeling of accomplishment associated with the position. Think it over and feel free to ask any questions.

LOOK AT WHAT HAS HAPPENED TO THE RELATIVE POINT COUNTS FOR ENGLAND AND ITALY! NO LONGER IS ITALY THE BOTTOM OF THE LIST. LAST REPORT ENGLAND WAS ON TOP AT 10.18 AND NOW ITS FALLEN TO THE BOTTOM. IT REMAINS TO BE SEEN IF THIS TREND WILL CONTINUE.

THE RESPONSE TO MY ANNOUNCEMENT OF CREATING AN ARCHIVE OF DIPLOMACY GAMES AND PLAYERS HAS BEEN MOSTLY FAVORABLE. HOWEVER I HAVE BEEN ACCUSED OF COMPILING KGB FILES. ANOTHER POINT THAT NEEDS CLARIFYING IS THAT THE ARCHIVE IS NOT DIRECTED TOWARD ANYONE IN PARTICULAR AND THE NAMES MENTIONED IN MY COMMENTS LAST ISSUE ARE NOT BEING SINGLED OUT FOR SCRUTINY. THE WAY THE COMPUTER PROGRAM IS WRITTEN ALL PLAYERS ARE EQUALLY ACCESSABLE. SOMEONE NEED ONLY ASK FOR AN INDIVIDUAL AND HIS STARTS AND FINISHES CAN BE EASILY FOUND AND PRINTED OUT.

DUE TO THE HOLIDAYS I'VE FALLEN BEHIND IN RECORDING BACK ISSUES. AT THIS POINT EVERYTHING 52 IS HALF ENTERED BUT THE INFORMATION IS BECOMING IMPRESSIVE. AS AN INTRODUCTION OFFER TO THE DIPLOMACY ARCHIVE RESEARCH SERVICE I WILL SEND YOU REPORTS ON INDIVIDUALS AT THE RATE OF THREE FOR A DOLLAR. PUBBERS PLEASE PASS THIS OFFER ALONG. AS THE ARCHIVE BECOMES LONGER THE PRICE MAY INCREASE, BUT UNTIL NEXT ISSUE THIS OFFER STANDS. AS AN EXAMPLE

I GIVE MY OWN PRINT OUT:

GAME STARTS NOT YET AVAILABLE FOR #52

GAME FINISHES #52--NONE IN DATA SO FAR

THUS FROM THIS REPORT YOU CAN TELL SOMETHING ABOUT MY PRESENT COMMITMENTS AND HAVE A GOOD IDEA ABOUT MY PAST PERFORMANCES. ALSO THIS IS EASIER THAN DIGGING THROUGH FOUR ISSUES AND SOME 150 TO 200 GAME FINISHES, NOT TO MENTION THE GAME STARTS.

THIS EXERCISE MAY PROVE TO BE WITHOUT VALUE AS NO ONE MAY WANT THIS DATA. HOWEVER I AM A BELIEVER IN THE RULE OF WAR 'KNOW THY ENEMY' AND I FIND THIS INFORMATION INVALUABLE IN SIZING UP A POTENTIAL ALLY OR ENEMY. ADMITTEDLY THIS DATA DOES NOT REFLECT THE STATUS OF A PLAYER IN A GAME IN PROGRESS. HE MAY HAVE RESIGNED OR DROPPED OUT AND IT DOESN'T REPORT THE STANDBY POSITIONS THAT THE PLAYER IS CURRENTLY PLAYING. DESPITE THIS SOME INTELLIGENCE IS BETTER THAN NONE AND SEVERAL IMPORTANT ASPECTS ABOUT A PLAYER'S PAST CAN BE INFERRED.

THANK YOU FOR READING THROUGH ALL THIS. I HOPE IT HAS BEEN ENLIGHTENING AND HAS SPARKED YOUR INTEREST. YOUR COMMENTS ARE OF COURSE WELCOMED.
UNTIL SUMMER,

Bill
