Everything #57

Fall 1983

This is the official publication of the Boardman Number Custodian.

Who is: Kathy Byrne  
 160-02 43rd Ave.  
 Flushing, N.Y. 11358  
 (212) 353-9695

Publisher: Bill Quinn  
 301 Conroe Drive  
 Conroe, Texas 77301

(409) 756-6867 - day  
 (409) 856-7607 - night

Associate Custodian:

Peter Calcraft, 13 Ridgeway Rd., Long Ashton, Nr. Bristol, Eng. BS18-9EX  
 Please note that Alain Henry, has notified me that he is no longer an  
 associate custodian.

\*\*\*\*\*

As you can see by the above, I have officially taken over the duties  
 of the BNC. Please note that turn around ~~xxxx~~ time is much faster if  
 you send, everything directly to me, some of you are still forwarding  
 information to Don Ditter.

I want to thank all of you for your support, and a special thanks to  
 past BNC's Don Ditter, Lee Kendter, Doug Beyerlein, Rod Walker and  
 John Boardman for all the help they have extended to me. It makes  
 it alot easier for me, knowing that they are around to consult with.

Bill Quinn has moved. How will this affect him as publisher of this  
 zine? Not at all, Bill has assured me that he will continue doing the  
 fine job that he has been doing. Bill has been a great asset to this  
 zine and to me as a newcomer to all of this. We really do appreciate  
 all his help with this hobby service. This issue you are being charged  
 \$.75, and if the actual cost is different adjustments will be made  
 next issue.

Scott Hanson who resides at 233 Oak Grove #306, Minneapolis, MN 55403  
 is the new Orphan Custodian. Scott will be running the orphan reports  
 in conjunction with Everything. Hopefully, he will have his first  
 report to me before this goes to print, but if not, that is my fault  
 as I had to shorten his deadline due to Bill's moving.

This issue will contain the last financial report by Don and my first  
 one. In the next issue I hope to have a list of games that I need  
 help finding. I hope that someone will see a game and recognize the  
 number and help me track them down so that we can update all games.  
 Also next issue, I hope to have a report on the activities of the  
 new committee that I have formed to look into the regularity of the  
 computer and electronic mail games. Russell Sipe, Chip Charnley and  
 Rod Walker feel that these games are not receiving proper treatment,  
 so they are going to educate myself, Don Ditter, Doug Beyerlein and  
 Lee Kendter. I have no idea what the outcome will be, but we are  
 willing to listen to what they have to say, and review the status of  
 these games automatically being declared as different from pay by  
 mail.

Now that you know what has been going on around here, let's get the financial status of this zine to you. By the way, the BNC account is very healthy because of the support of the hobby. Robert Sacks and the NYGB, have sent a donation of \$30.00 which they collected at East Con, and were generous enough to donate to us. A very special thanks also goes to the generosity of Judy Winsome who sent a large donation of \$10.00 to help keep us in the black. Thanks to all who send donations.

As many have taken notice EVERYTHING is quite late. Thank you for your patience and understanding. I have just been released from active military duty moved 1000 miles, got married, and am presently getting my dental office set up. The details aren't too interesting except to other dentists so I'll spare you.

One thing I've noticed since becoming publisher of E. is the wide variation of game finish reports. This lack of uniformity unduly complicates the job of the BNC and myself. It would be a great help if everyone would attempt to follow the form as it appears in EVERYTHING. This form was developed by DON DITTER and myself to make the reports more readable, computer adaptable and contain more complete information.

Basically the report has two parts: A. The zine-GM-player section and B. The supply center chart. Most errors and difficulties occur in the zine-GM-player section. A proper report should include the following information:

1. The game number - everyone does this. Please capitalize the letters because lower case letters designate variant games.
2. The zine and GM - everyone does this well.
3. Game date that either zine or GM changed - this should be the last game season that the game appeared in the zine or that the GM adjudicated moves
4. Repeat 2 and 3 for 2nd, 3rd, etc. zine or GM. Note that if the GM changes but the zine does not it is not necessary to restate the zine (see 1979R)
5. Player reports by country - usually AUSTRIA is reported first. The original player is listed then immediately afterward their result and the season the result occurred. The result should be one of the following: win - if the player won the game. If by gaining 18 sc's then the date would be FXX (where XX= the game year) and not WXX since the rule book no longer requires building units as a victory condition. If the win is by concession then the date is the season the vote occurred.

## Discussion

As of July 1983, John Daly resigned from the USOS. The Director is now SCOTT HANSON, 233 OAK GROVE #306, MINNEAPOLIS MN 55403. Phone (612)874-0082. I'd like to thank John for his years of service to the hobby, and his help in getting me started on the right foot.

My main order of business at the moment is to find 2 assistants to help place orphans. A search is now underway to find a person on both the East and the West Coast; three of us throughout the country should be able to keep the hobby well covered. These two assistants will be chosen by Labor Day, and I've already had 7 people inquire as of August 11.

I've had no requests to place games the past month, so the summary of transferred games below reflects action before I took over. Projects I have planned include a set of specific guidelines for late zines that refuse to fold (I'm thinking of a series of letters/phone calls much like a collection agency uses), an article for the new publishers' handbook that Dick Martin and Mark Leudi are planning, and perhaps a flyer we can send to new publishers.

My list of GMs willing to take Orphans that I got from John Daly includes: Osborne, Saylor, Woodson, Caruso, Gaughan, Kane, Herricks, Baumister, Martin, Reinowski, Leudi, Moody, Mills, Hanson, Barents, Sampson, Coldiron, Sacks, Whiskeyman, Conner; plus Tallman as Boardman in emergencies only and Davis for variants only. Please let me know if you want to add, remove, or change where your name is on the list. Information I'd like to add for your name is: name, address, phone #, name of zine, how often you publish, # of games you can take, and whether you'll take variants, Canadian players, or players outside of North America (plus anything thing else you think I'd like to know.)

Thanks to all of you who have offered their assistance to me. The biggest help anyone can be to the players we serve is to let players know we are here! We are here to serve GMs and players, but we can't help anyone if they don't know about us. We'll help GMs place their games when they fold, and help players track down their games if the GM disappears or is constantly very late. In extreme cases we will sicze a game without the GMs cooperation.
