THANKS to all who have given me their moral and financial support.

I find writing on the front page somewhat awkward! I begin my tenure as BNC with mixed emotion. On the one hand the BNC is a position which commands great respect and I am honored to have been chosen to succeed Kathy. On the other hand the honor was bestowed on me at the worst possible time in terms of other commitments (wife, child & business). In addition I am forced to pass to another the job of publication of E. This means that my project of making a computer file of E. will pass to someone who may not be able or willing to keep, update, and transfer to me the files. In the past they have been quite valuable to me and the BNC when researching a particular game. On the subject of publisher I have two capable applicants and will make a decision by the first of the year.

Last issue Kathy's resignation prompted a protest by Bruce Linsey. He has asked for a right to reply in this issue since he disagrees with Kathy's statements and since EVERYTHING should not be a forum for personal feuds. I agree that this zine is not the place to air such disputes. For this reason I decline to publish Bruce's letter of protest as he requested. Both parties will have to use other forums to continue.

Given the above you might question whether Kathy should have made the statements she did in resigning. Certainly she had to give her reasons. Kathy could have been more diplomatic. However due to the venomous nature of this dispute and the volumes of charges Kathy could have done worse. Each reader will have to decide for themselves whether Kathy was right or wrong. I have decided to devote no more space to this feud.

Due to the effort involved in publishing this issue along with the usual duties of BNC I have a backlog of new games requiring a number. Please be patient. Hopefully the numbers will be issued before 1 Jan 85. If you have not received your number by 15 Jan 85 please resubmit. I regret any inconvenience.

1985 ROD WALKER AWARD Nominations are now being solicited in the following categories (1)FICTION (2)STRATEGY (3)HOBBY ORIENTED (4)SPECIAL. The first three are pretty much self explanatory. The SPECIAL category is a catch all for items that don't exactly fit into the others but deserve consideration. Nominations must include the item being nominated, the author's name, a copy of the item, and a written reason (50 words approx.) for the nomination signed by the nominator. The items may be sent to me or to LARRY PEERY
