My thanks to Conrad for taking over as publisher. This has eased my burden considerably. However all subscriptions, inquiries, and change of address notices should be sent to me. In addition I have solved a significant problem with my office staff which has given me more time to pursue the duties of BNC. The dark picture I painted last issue has brightened somewhat since last December.

I must chastise a number of GM's who in their haste to fill games are dangerously close to forming 'local' games. Please do not be in such a hurry to begin a game that you jeopardize it's rateability because of locality. Good rules to follow are:

1. No two players within local phone call range of each other. (preferably in different area codes).
2. No two players within fifty (50) miles of one another.

I regard these standards as the MINIMUM acceptable separation between players. These rules apply to the appointment of standbys as well as to original players. Should players complain of locality in the above mentioned games I will have a sympathetic ear.

While on the subject of "irregular" games I hope to have a guide for GM's on how to avoid an "irregular" label. It is my observation that on most occasions the situation is blundered into because of ignorance. If you have a situation that you are uncertain about and want some guidance feel free to write or call me with your questions. It is better to delay a game than to ruin it's rateability.

The following games are noted as being finished. However no game finish report is on file. If you can supply the end game report then please do so! Your help is greatly appreciated.

1981HE THE SCHEMER MCBEE
1981HH THE SCHEMER MCBEE
1981IO SLEEPLESS KNIGHTS CARTER

I feel sure that these reports are somewhere in the materials transferred to me by Kathy. Unfortunately I cannot locate them.

In recent months I have heard of a new breed of zine known as a 'professional' game zine. Rumor has it that these GM's charge as much as \$3.00 per move to their players. Furthermore there is no overseeing office such as the ENC. Anyone having information about these GM's please forward it to me so that I can get in contact and find out about this development.

DIPCON XVIII - While dipcon is still a long way off those wanting to attend should begin making plans now. It will be held in Seattle, WA this year. For news and information contact the administrative chairman:
Pete Gaughan (817) 633 3208
3121 E. Park Row #171A
Arlington, TX 76010

In case you haven't heard the new Orphan Service Co-director is
KEITH SHERWOOD
8866 CLIFFRIDGE AVE
LA JOLLA, CA 92037

Thanks to Keith for taking over this vital office.

Nominations for the ROD WALKER AWARD are still open. For details contact:
LARRY PEERY
P.O. BOX 8416
SAN DIEGO, CA 92102

Charge for this issue is \$1.00

Minshall here. I originally promised Bill I'd do two issues and then decide if I wanted to continue. E turned out to be a bit more work than I anticipated however, and my job simply requires too much overtime. So poor Bill's once again looking for a publisher. My apologies sir.

Corrections:

- 83U -- Local Game.
- 83W -- 1910 supply center chart should read: A-9 E-18 F-7
- 83AZ - 1905 supply center chart should read: A-7 E-3 F-6 C-5 --7 R-12.
- 84HU - Electronic Mail Game - Compuserve.

In an effort to limit this issue to six sheets I've gone to eight lines per inch and spread the game starts around in all the free space - hope nobody's too upset.
