EVERYTHING... is the Journal of the Boardman Number Custodian and was founded in October 1972 to promote and record the postal play of the game, DIPLOMACY. EVERYTHING... is currently compiled and edited by Gary Behnen, 13101 S. Trenton, Olathe KS 66062 (USA). It is currently published by Melinda Holley, PO Box 2793, Huntington WV 25727 (USA). Subscription fees of \$4.00 domestic mail or Canada or \$5.00 (US) international mail for 4 issues should be sent to Gary Behnen. (Back issues are available for \$1.00 plus postage.) All-for-all trades with any DIPLOMACY related zine are accepted and are solicited. DIPLOMACY is the trademark name of the boardgame designed by Allan Calhauer and is published in the USA by the Avalon Hill Game Co. EVERYTHING... is the official record of the BNC. Contents may be reprinted with appropriate attribution.

=====

BNC COMMENTS - This will be appearing in a number of 'zines and E..., so if you've already read this, save yourself a little time.

My name is Gary Behnen and my address is 13101 S. Trenton, Olathe KS 66062. As of March 1, 1991, I have assumed the responsibility of BNC. The transfer from Don Williams is going smoothly, and you should see a large issue of E... covering starts and finishes through calendar year 1990. If you DO NOT see your finished game report, please sent it to me ASAP and note that it ended in "August 1990" or whenever but was not reported in Issue #83. In this manner, we should be able to ensure no games are lost and are all reported by the next issue of E... Lastly, if you requested a BN for your game from Don and haven't yet received it, please re-request it from me. For new publishes, I will need GM name, players' addresses, country assignments, and the 'zine/flyer name.

In Issue #82 of E... (pp. 18-20), Don outlined criteria in determining a game as irregular. I concur with these criteria and will follow them in my determinations. I will review them in a future issue of E...

Although I believe there has been a general concern that the BNC has been generally neglected, I do not feel the damage has reached quite proportions feared. Regardless, I will attack the job in earnest (some will attest I do this as second nature) and request your patience and support as I familiarize myself with the custodianship. At this time, I would like to announce that Vincent Lutterbie has accepted the job of BNC Aide. With his help and the support of past BNC's (Kathy Caruso, Steve Heinowski, and Don Williams) plus E...'s publisher, Melinda Holley, E... and the BNC will have a more visible presence.

For those of you that have traded in the past, I will honor all those trades, with obvious latitude due. Anyone interested in receiving EVERYTHING... through sub/trade/or whatever should contact me. Be forewarned, however, this won't be a chatty 'zine under my custodianship. It will contain various charts, articles, summaries, etc., as space, time, and availability permit.

In closing, I will do nothing except my best in the execution of the custodianship. I've appreciated the effort put forth by the past BNC's and have greatly enjoyed the hobby under their stewardship. I am sure my participation in the hobby will far exceed my time in its service, and I hope our hobby will grow and flourish in the years to come.

PUBLISHER'S COMMENTS - At this time, I'd like to say that I enjoyed working with Don Williams during his time in office. I am certainly looking forward to working with Gary Behnen in the same regard. Who knows...perhaps this time "Greedy" and "Millie" will be able to forge an alliance that will last beyond the next Fall orders....So please have patience with us...we're not used to working with each other.

As you can tell, this is a huge issue. It contains, as Gary mentioned, all the game starts and game finishes reported in 1990. If you see any errors or omissions, please let Gary know immediately.

STATE OF THE BNC - Traditionally, this is where the BNC comments upon the hobby in general. I think Gary will have more to say about that in future issues. For the record, however, there were a total of 118 game starts in 1990. This is down somewhat from 1989 but more than in 1988. Perhaps we're on a roller coaster?

1981 -- 140	1982 -- 130
1983 -- 120	1984 -- 131
1985 -- 102	1986 -- 94
1987 -- 131	1988 -- 101
1989 -- 134	1990 -- 106

Over the last ten year, the hobby has had an average of 119 games starts per year (118.9 to be exact).

PUBLICATIONS AVAILABLE FROM THE BNC

EVERYTHING... back issues are available for \$1.00 (US) each. All issues are available, but some will take longer than others. It's probable that back issue costs will increase. Check with Gary on this as he will have a better "feel" for what needs to be done.

"ADJUDICATING POSTAL DIPLOMACY GAMES", by long-time GM and former BNC, Doug Beyerlein. Full of information on how to be a good GM, set up adjudication procedures, how to minimize screw-ups that detract from the game...or even those that don't. Cost is \$1.00.

GM HELPER SHEET, originally designed and used by Dick Martin. Use these to keep track of player changes, supply center counts, standby calls, game notes, etc. You can also send it to the BNC when the game is over to record the game finishes. Cost: First 5 are free; you will be charged for the remainder. (Suggest you get a freebie and make your own copies.)

LITIGATION - None reported to the publisher.

FINANCES - BNC funds are in transit from the past BNC (Don Williams) to the current BNC (Gary Behnen). A detailed report will be found in the next issue.

PEOPLE'S DIPLOMACY ORGANIZATION RELIEF AUCTION ANNOUNCEMENT

It's that time of year again for the PDORA to try and raise money to help fund hobby services. Last year, the hobby raised \$86.37 of which \$392.37 was collected. It's you, the hobbyist who makes the auction a success. If you're a publisher, please plug the auction. If you have something you'd like to auction off to help raise money, now is the time to contact John Caruso (636 Astor St., Norristown PA 19401). What John needs at this time is the information on the items you wish to auction, not the items themselves. Those, you will send to the successful bidders after the auction. Give John a short description to include, any minimum price & postage costs. All items provided for the auction will be included in a booklet which will be mailed out at the end of June. If you do not receive a copy of the booklet by mid-July, contact John with an SASE. The sort of items you may offer for auction may include (but not limited to) subscriptions to zines, game openings, games, horoscopes, coins, stamps, old zines, Dipdom memorabilia, photographs, or any number of other items whether related to Dipdom or not. Thank you for your help in making this auction a success.

ZINE POLL

You may rate any amateur postal or e-mail zine that you've read enough of to rate fairly. This means you've seen for would have seen if not for delays of least two issues since August 1, 1990. Only North American zines are eligible, but anyone may vote. Rate each zine from 0 (the worst) to 10 (the best)—no fractions, please. Do not rate your own zine. Blank is for zines I forget to list.
