EVERYTHING..

JOURNAL OF THE BOARDMAN NUMBER CUSTODIAN

JANUARY - MAY 1991

ISSUE NO. 84

=====

EVERYTHING.... is the Journal of the Boardman Number Custodian and was founded in October 1972 to promote and record the postal play of the game, DIPLOMACY. EVERYTHING.... is currently compiled and edited by Gary Behnen, 13101 S. Trenton, Olathe KS 66062 (USA). It is currently published by Melinda Holley, PO Box 2793, Huntington WV 25727 (USA). Subscription fees of \$4.00 domestic mail or Canada or \$5.00 (US) international mail for 4 issues should be sent to Gary Behnen. (Back issues are available for \$1.00 plus postage.) All-for-all trades with any DIPLOMACY related zine are accepted and are solicited. DIPLOMACY is the trademark name of the boardgame designed by Allan Calhmer and is published in the USA by the Avalon Hill Game Co. EVERYTHING.... is the official record of the BNC. Contents may be reprinted with appropriate attribution.

=====

BNC COMMENTS - To date in 1991, 41 games have been reported as completed and 53 have been assigned numbers. It looks as if we are off to a good start. I ask your assistance in locating games that are being played without a number. There shouldn't be very many, but I'd like to feel that we've done all we could to make the transfer as complete and inclusive as possible. Remember, anyone that is involved in the game may request a number, not just the GM. For games that have been going on without a number, please send along an updated game report/supply count by year and note any player changes. Thank you in advance for your help!

At this time the BNC transfer is complete. I'd like to take this opportunity to thank Don Williams for the smooth transfer of all files and an up-to-date number request file. I realize Don did a poor job of reporting the numbers and end game statistics. However, he kept the complete files and through (I'm sure) a very cumbersome process, presented the raw data for E...83. With few exceptions it appears to be as complete as any BNC transfer. Thanks, Don, for a thorough (albeit belated) job. It has made my part of the transition very easy.

Which brings me to the publication schedule for the rest of 1991. Expect an issue at the end of October and then in early February 1992 (a "wrap-up" issue for 1991). Beginning with the BNC year 1992, E.... will go to 3 issues with approximate publication dates of May 10, Sept. 10, and Jan. 10, 1993. This three-issue format will be more efficiently combat publishing and postage costs. In E...85, the new sub-rate will be enacted. Until that point subscriptions will remain \$1.00 per issue (domestic) and \$1.25 an issue international.

PUBLICATIONS AVAILABLE FROM THE BNC - At this time, EVERYTHING backissue requests are on a low priority. By the end of the year, I should be prepared to handle a reasonable influx of

requests. Due to the costs of copying and postage (and my lack of access to a free copier), the price of backissues will go to \$2.00 per issue, effective immediately.

ADJUSTMENTS TO E....83 - Ratings masters and compilers, please take note:

In 1990IL (gamestart), Turkey is John Caruso, not Kathy Caruso.

In 1996HR (finish), England was not played by Eric Klien (of PBEM) but Eric Kline.

In 1997AD (finish), Turkey's last name should be spelled Bolduc, not Boduc.

In 1998IB (finish), Austria's last name should be spelled Bolduc, not Boduc.

LITIGATIONS - None...and let's keep it that way!!

TRADES - Those receiving trades but not reciprocating will have until roughly Oct. 1 (issue #85) to reestablish trade status. I realize you may have traded without very many E....'s coming your way, but this represents the 2nd issue. Those not resuming the trade will force me to remove the non-subber/non-trader from the mailing list.

FINANCES - Past BNCs have handled the reporting of funds in a number of ways. Although not unique, this method will be simple and straightforward (and hopefully easy to understand).

BNC transfer of funds:	\$422.41
Total subs/contributions:	<u>43.00</u>
Total Assets:	\$465.41

Misc. transfer expenses:	\$ 37.12
Postage:	63.20
E....83:	<u>168.84</u>
Total Expenses:	\$269.16

Outstanding sub issues (@ \$1.00 per issue):	<u>\$121.00</u>
Total Liabilities:	\$390.16

NET BALANCE:	\$ 75.25
--------------	----------

As it is painfully obvious, this is not a money-making proposition. To have only \$75.25 to cover the costs of E....84, well, we really won't make it except for the "borrowing" from the Outstanding Subs. With a little luck, we'll get by until (hopefully) we receive PDORA funding. Regardless, we still need those voluntary donations. Whether just a \$1.00 or \$2.00 with a BN request or an outright gift, the BNC runs on these donations. Your help is appreciated and (it's plain to see) essential to the smooth operation of the office.

WINS BY COUNTRY - Quite surprising results, but hey, I just report them....

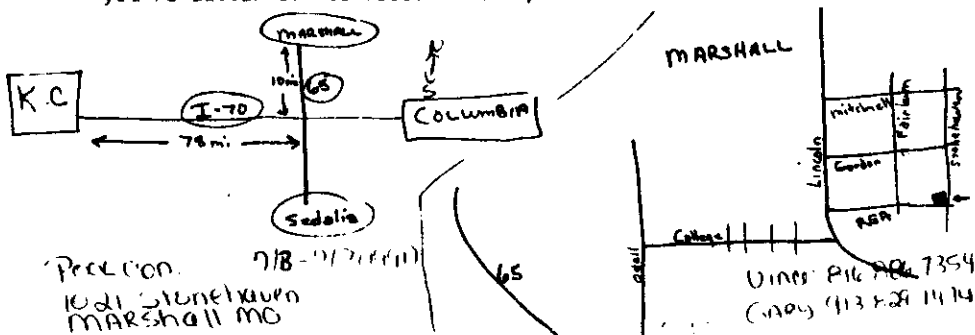

1991 to date: Austria - 1; England - 2; France -2; Germany - 1; Italy - 2; Russia - 0(!) - Turkey - 3.

Winners' Circle:

- Chris Hurley (France in 89HB)
- Gary Behnen (Italy in 89HJ)
- Gary Behnen (Turkey in 89S)
- Stven Carlberg (Austria in 89HW)
- Tom Nash (Germany in 88CJ)
- James Brackin (Italy in 88CQ)

- Arthur Shulman (England in 89AL)
- Lee Kendter, Jr. (Turkey in 88HI)

- Melinda Holley (England in 88HW)

MISC. DEPT. - Does anyone have current addresses for Ken Peel or Darrel Plant?

WRAP-UP - Thanks to Vince Lutterbie (BNC Aide) for his help in producing this issue. (A lot of fun, eh Vince?) As always, this comes to you by the good graces of Melinda Holley (thanks again for all your help). Next issue, updated CPCRL standings from Randolph Smythe, more games reports, and perhaps a Russian win??? Hope to see you at PoolCon! ((Publisher's Comments: While you may think you need to follow the Yellow Brick Road to PoolCon, you're better off to follow the map below.))
