JOURNAL OF THE BOARDMAN NUMBER CUSTODIAN

JUNE - DECEMBER 1991

ISSUE NO. 85

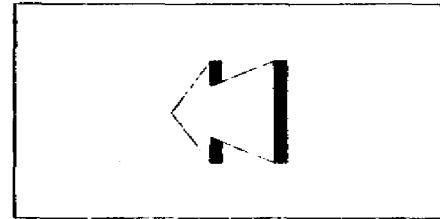

=====

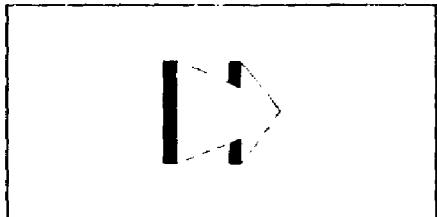

**EVERYTHING....** is the Journal of the Boardman Number Custodian and was founded in October 1972 to promote and record the postal play of the game, DIPLOMACY. **EVERYTHING....** is currently compiled and edited by Gary Behnen, 13101 S. Trenton, Olathe KS 66062 (USA). It is currently published by Melinda Holley, PO Box 2793, Huntington WV 25727 (USA). Subscription fees of \$1.50/issue (domestic) and \$2.00/issue (international). Back issues are now available at \$2.00/issue plus \$0.50/issue postage. All-for-all trades with any DIPLOMACY related zine are accepted and are solicited. DIPLOMACY is the trademark name of the boardgame designed by Allan Calhamer and is published in the USA by Avalon Hill Game Co. **EVERYTHING....** is the official record of the BNC. Contents may be reprinted with appropriate attribution.

**BNC COMMENTS** - There has been some confusion as to how the numbers will be administered in the remaining time I am BNC. Simply, to do an accurate and (for me) efficient job with the office, I will officially "batch" number requests roughly, but not exceeding, every two (2) months. Even in the most stringent 'zine, this should mean no game will pass 1901 without a number. If that does occur, please re-request your number as it is an indication that I may not have your request.

There has been a question aised as to the potential "double-issuing" of numbers if a publisher folds and the game is rehoused through the Orphan Service. This is simply a non-issue. The assigning process would catch any requests for a new number for a game started in another 'zine, even if the BN was never received or the new GM wasn't aware of it unless the game is presented as a NEW gamestart. If this occurs, it doesn't matter how the number was originally assigned because the game is being represented as new and therefore the worst case scenario would leave the other number as abandoned. By the way, this has generally been my method for the last 6 months and with few exceptions has caused no consternation. Lastly, while this is the method I will use, by no means do I feel this policy is set in stone. Indeed, whatever works for future BNC's to regularly and accurately report starts and finishes and handle correspondence, litigations, questions, etc., I leave to them.

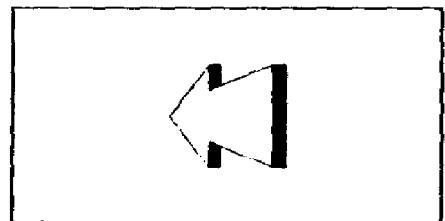

## PUBLICATIONS AVAILABLE FROM THE BNC

EVERYTHING.... back issues available at the rate of \$2.00/issue plus \$0.50 postage per issue. Currently, there is one complete set of back issues ready to ship. (E 1 - 84) at a bargain rate of \$150.00, post paid! If you're a new ratings master or just a numbers kinda' guy or gal, this is available for a limited time only, first come first served.

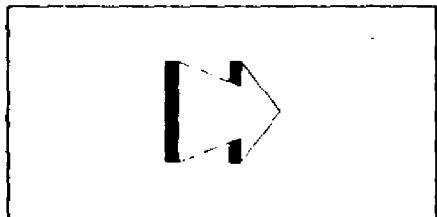

GM HELPER SHEET is available for free for the asking. Please note, each new gamestart is recorded on this form and is the vehicle that the Boardman number is assigned and sent to the GM. This is a baldface attempt to help standardize the recording and reporting of each game.

## UPDATES, CORRECTIONS, ETC.

In Issue #83, gamefinish 89HZ, the English player's last name is Hosek. Andy Lischett pointed out that in issue #82, 86V was listed as a CHEESECAKE gamefinish (correctly) and in issue #83 as a gamefinish in SUBZINE WITH NO NAME in THE CANADIAN DIPLOMAT (incorrectly). Issue #83 should have listed SUBZINE... gamefinish as 86U. Thanks, Andy!

Paul Milewski wrote in with help on locating unreported games from the list in E...76. Thanks, Paul. Also, Paul found that 82AG was erroneously reported in E71 as 82HG. 82HG was reported in E60. Thanks for the correction!!!

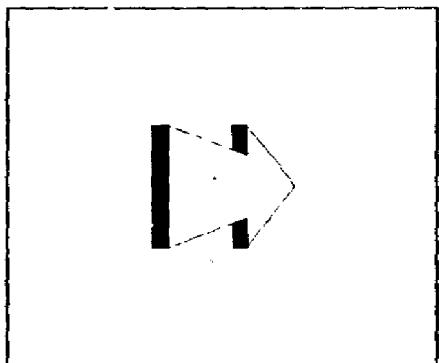

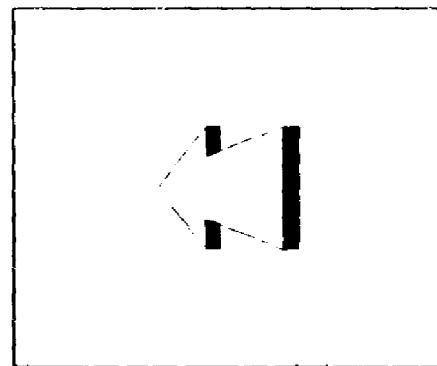

## LITIGATIONS

NONE!!! A very good year, indeed.

TRADES - Those that are listed as last issue on the label are because our trade status is in jeopardy. Essentially, I have no record of receiving your 'zine. If this is an oversight or an error on my part, please send a note with your next issue; and I will reinstate your status.

#### STATE OF THE BNC, FINANCES

I am happy to report that your support of the BNC has been generous and your support of PDORA has permitted sufficient funding to put us in good shape for the upcoming year. Please keep up those number donations, those \$1.00 or \$2.00 donations really do help.

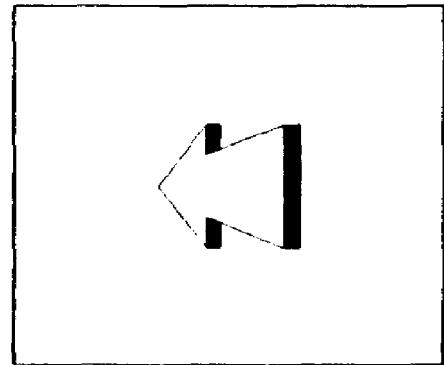

|  |                 |
|--|-----------------|
| Beginning Balance . . . . .            | \$196.25        |
| Subs/Donations/Back Issue Income . . . | \$149.00        |
| PDORA Funding . . . . .                | \$270.00        |
| <b>TOTAL ASSETS . . . . .</b>          | <b>\$615.25</b> |
| <br>                                   |                 |
| E...84 . . . . .                       | \$109.77        |
| Postage . . . . .                      | \$ 29.00        |
| Bank Statements/Checks . . . . .       | \$ 12.58        |
| Back Issues Production Expense . . . . | \$ 70.74        |
| <b>TOTAL EXPENSES . . . . .</b>        | <b>\$222.09</b> |
| <br>                                   |                 |
| O/S Subs, Trades = 148 @ \$1.50 . . .  | \$222.00        |
| <br>                                   |                 |
| <b>NET BALANCE . . . . .</b>           | <b>\$171.16</b> |

Please note that in determining outstanding subs, I counted actual subs and only 1 issue per trade. As you can see, things are much rosier than last we looked. Even though this issue's expenses aren't covered (#85), they are covered by the net balance. Future issues are partly covered (subbers only) in the O/S category, and future donations will go a long way to "balancing" out our expenses. Lastly, not included in this accounting, but a potential asset (based on past requests) is the \$150.00 asking price on the already printed set of back issues #1-84. Provided this set is purchased, we should be out of the hole and have a clean slate looking to 1993. Thank you, again, for your support.

## GAMESTARTS

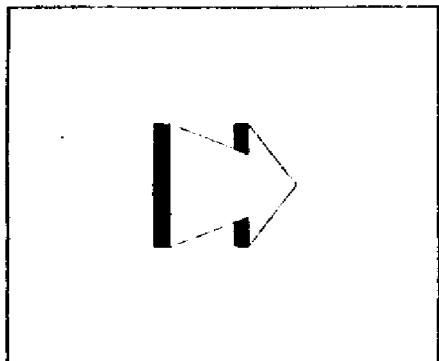

|          |          |
|----------|----------|
| 82 - 130 | 83 - 120 |
| 84 - 131 | 85 - 102 |
| 86 - 94  | 87 - 131 |
| 88 - 101 | 89 - 134 |
| 90 - 106 | 91 - 99  |

A slight decline over the previous year but not a 10-year low. I think given the state of the times in 1991 in the "real" world and the absolute hemorrhage of 'zine folds, this number represents a surprisingly strong number. In 1992 I expect total new games to increase as we begin adding new publishers and those orphaned games rehoused and making room for the new gamestarts they replaced. By the way, if you are wondering, the average number of starts over the last ten (10) years is 115!

**EVERYTHING . . .**

**Page 6**

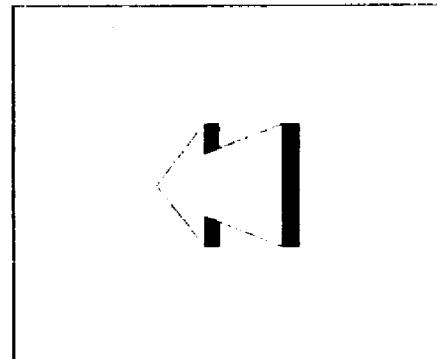

#### **GAME FINISHES**

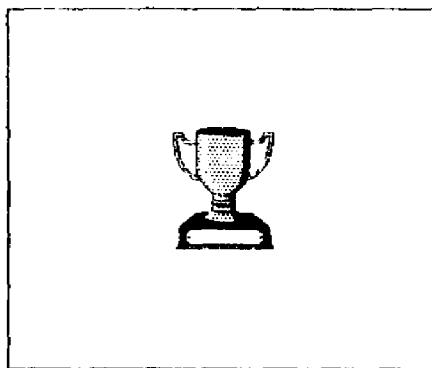

Reported games in 1991 were 97, which is up from 75 in 1990. I expect we may actually see more games end in 1992 than begin as we come out of this "orphanitis".

#### **WINS BY COUNTRY - 1991**

There were 39 solo wins in the 99 reported finished in 1991. Although Russia made up some ground from earlier in the year, 1991 was still a bearish year for the bear. On the other hand, the Wicked Witches seemed to enjoy renewed successes. I'll leave that to others to analyze, but below is the breakdown of wins by country.

|         |     |
|---------|-----|
| Austria | - 5 |
| England | - 7 |
| France  | - 6 |
| Germany | - 4 |
| Italy   | - 4 |
| Russia  | - 5 |
| Turkey  | - 8 |

MISC. DEPT - Please note that the electronic mail games are once again being designated with the "PBEM" by the gamestart or finish. Please note that this does NOT make the game irregular, but it is only for identification purposes.

For those of you looking for the C.P.C.R.L. standings, hold on a little longer. Randolph ran into a problem with his printer. With any luck, we will have his listing (complete through E85) next time.

PDORA - It's time to prepare for the auction again and John Caruso has passed this on to the capable hands of Douglas Kent (54 Cherry St., #211, Rahway NJ 07065). Contact Doug if you have something you would like to donate to be auctioned off. Don't send the item just yet, just give Doug a good description, a minimum bid (if applicable), and whether you need to have the postage covered. Once the auction is complete, you will be informed who was high bidder on your item and when to send it (if applicable). Anything you care to donate is welcome, from gamestarts or subs to pictures, collections, you name it. I can't emphasize enough how important this auction is to the funding of hobby services and the benefit we all receive. If you can help, please take the time and drop Doug a letter.

DIPCON 25 - Enclosed is our wrap-up flyer for Dipcon. It explains just about all you need to know and then some on how to get there and what to do when you arrive. Publishers, please include it as an insert in your next issue. Your help is instrumental in making the North American Diplomacy Championship a success. The Dipcon Committee thanks you for your assistance.

WRAP-UP - Hope this issue finds you all well and fully enjoying your involvement in the hobby. As we proceed in 1992, I hope we can avoid the pitfalls of feuding and excessive criticism and remember that this hobby is only fun when we keep it fun. Simple? Yes, it really is. Speaking of fun, I look forward to meeting as many of you that can make Dipcon 25 in Kansas City as possible! If you make it, please take the time to drop by the tournament table and say hi! The next issue will be out around DipCon, let's say July 1992. As mentioned elsewhere, I hope to have the C.P.C.R.L. listings. Let me know if there is anything else you feel E....

might bring you in the way of articles, information, etc., in the future. Good Dipping and may all your stabs be fatal....

# The 1992 Runestone Poll

## ZINE POLL

You may rate any amateur postal or e-mail zine that you've read enough of to rate fairly. This means you've seen (or would have seen if not for delays) at least two issues since July 1, 1991. Only North American zines are eligible, but anyone may vote. Rate each zine from 0 (the worst) to 10 (the best)—no fractions, please. Do not rate your own zine. Blanks are for zines I forgot to list.

## SUBZINE POLL

A subzine is a regular section of a zine which is (a) edited by someone other than the zine editor(s), or (b) edited by the zine editor(s), but devoted to a specific hobby service. Any subzine of a North American zine is eligible. The other instructions are the same as those for the Zine Poll.

## GM POLL

You may rate any GM under whom you played any postal or e-mail game since July 1, 1991 for long enough to judge him or her fairly. Only North American GMs are eligible, but anyone may vote. List GMs alphabetically by name (not zine). Rate each GM from 0 (the worst) to 10 (the best)—no fractions, please. GMs may not rate themselves.
