## BNC Comments

Well, this is my last, long delayed issue of *E. Conrad von Metzke* is taking over effective immediately. For those of you who were trading for *E*, please contact Conrad for arrangements. Funds outstanding for the paid for issues has been sent to Conrad.

I have enjoyed being the BNC; but my lie in the past few months has been one of great change and upheaval. My thanks for the support and the patience everyone has had during the past year.

I still hope to work on the BN project I outlined at the beginning of my term of office. With the end of my schooling, and hopefully a better job (higher pay, fewer hours), I hope to have time to work on projects such as these - and enjoy the hobby more.

My best wishes to Conrad for a successful (re)turn as BNC. I'm sure he'll do an excellent job!!

Here's his address:
