Political Science and Cattle Raising

An unknown author has compiled the following explanations of forms of government:

SOCIALISM: You have two cows and give one to your lazy neighbor.

COMMUNISM: You have two cows. The government takes both and gives you one quarter of the milk.

FASCISM: You have two cows. The government takes both and sells you the milk.

NAZISM: You have two cows. The government takes both and shoots you.

BUREAUCRACY: You have two cows. The government takes both, shoots one, milks the other and throws the milk away.

CAPITALISM: You have two cows. The government takes one and gives it to a wealthy rancher.

FROBOZZ is published at four week intervals by Jeff Richmond, 3313 Platt Road, Ann Arbor, MI 48104; phone number 313-971-7793. Subscription rate is \$3.50 for ten issues. A limited number of game openings are available. Game fee is \$4.00 plus a continuing subscription to Frobozz.

Puzzle Challenge

Here are last month's answers:

1. ORATOR
2. BANANA
3. RACCOON
4. RAMROD
5. SONATA
6. ORPHAN
7. AURORA
8. PARROT

Here is your new puzzle:

This month we have a "diagramless." You solve it exactly as you would an ordinary crossword puzzle, except that you must provide the diagram. Some additional information: The diagram is 17 x 17 boxes. The black squares in the diagram form a symmetrical pattern, just as they do in a crossword puzzle. For example, if the square in the top left corner is black, then the square in the bottom right corner will be also. Finally, the clues are numbered the same way that crossword puzzle clues are. This fact will provide you with important information about where to put the black squares.

PRESS — Marc to GM: Be thankful that I didn't unload some of my less, uh, savory limericks on you:

There once was a young man named Dave

Who kept a dead whore in a cave. . .

GM to Marc: Yecchh! I'm surprised at you. How can you subject us to such offensive garbage? You must really be depraved. Say, how does the rest of that limerick go, anyway?

England to Russia: Watch your step, or be prepared to fight against the English Royal Navy.

France to Italy: I want peace. For us to fight would be suicidal.

St. Petersburg to the International Community: In the name of His Imperial Majesty, the Czar's Northern Fleet invokes the secret territorial clause in the treaties of Stockholm and Nystadt (signed after Poltava) making Sweden a province of the Russian Empire (so we're 200 years late — so what?). Any and all complaints should be addressed to the Russian Foreign Minister, Mr. I. Terrible.

France to Lone Lady: Who'll be your Prince Charming? Can't say for certain, but if you've threatened my most lucrative topless Med beaches, you're going to come face to face with the Marquis de Sade.

England to Italy: I shall be one of your prince charmings. So, what is your wish? Eliminate the other five suitors? One at a time, my dear...

Charming Frog to Searching Princess: Don't you realize that if we fight, there'll be no one left to write press???

PRESS — Ollie to Stan (via Austria): Well, this is another fine mess you've gotten me into!

Italy to Austria: Yeah, after I saw last season's results I tried to slash my wrists... missed that time also.

Russia to Italy: It was worth the shot!!!

Russia to England: England hasn't been invaded since 1066. I think it is about time for another shot.

France to England: See what I mean, mon ami?

Russia to Turkey: Gifts are gifts. Maybe I don't want to give you any gifts.

France to Germany: Beware of bare bears bearing gifts from the north and east...

Russia to Austria: Dancing girls? Get serious. I have been giving the other countries full-fledged whorehouses to satisfy them.

Turkey to Austria: Your past coming back to haunt you, Dale?

Austria: Oh... so somebody thinks I'm playing children's games, heh? Well, I'd like you all to know that I'm 6'5" and 230 lbs. and black as the ace of spades. If you want to call me a kid to my face, you're more than welcome to come here and do it.

Turkey to world: What happened to the harems I heard the Arabs have? I can't even find a picture of a woman here, let alone a roomful of live women.

Turkey to Austria: If you can get those girls here, I will stop my attack and convince Italy and Russia not to attack you. Female anything here is in very short supply. Almost nonexistent. Imagination we have plenty of.

Italy to France: See, I'm no threat to anyone. Just leave me alone and I'll destroy myself. Remember, I warned you.

France to Italy: Humblest apologies, mon frere, but Tunis is our Napoleonic birthright..

Russia to France: Looks like serious trouble. That's what you get for promises never fulfilled.

Russia to Germany: Onward go our great navies.

Austria to Italy: Well, what did I do this time?
