

# FROBOZZ

Issue #56

July 16, 1988

1986CF ends this issue in an E-F draw. My reaction to discovering that the game was over was relief; I have no desire to run any more games for the foreseeable future. Frobozz will fold when the last two games have concluded. I will continue to accept trades and subs from anyone ~~foolish~~ generous enough to support my efforts. This is because I hope to maintain a reasonable standby list despite the fact that the number of people who receive this zine is dwindling rapidly.

The standby pool for Diplomacy consists of: Geryk, Gibson, Hood, Lange, Townsend, Vaporis, Holley, Nelson, Heinowski, Barents, Kurucz. Does anyone want on or off the list?

Next issue's deadline is five weeks from now, as I will be out of town during the week of August 8.

Dear Russ,

I haven't been following wrestling much lately, but I did hear that Adrian Adonis, the Canadian Wildman, and Pat Kelly were killed in a van wreck while driving to a match in Newfoundland.
