

Issue #57

August 20, 1988

Once again, I've been having problems with my computer. And once again, this has caused me to end up behind schedule. Therefore, the endgame statements for 1986CF, which were to appear in this issue, won't. They will appear next issue, instead.

Also, my phone answering machine is on the blink again. So, don't rely on being able to reach me by phone.

The standby pool for Diplomacy consists of: Geryk, Gibson, Hood, Lange, Townsend, Vaporis, Holley, Nelson, Heinowski, Barents, Kurucz. Does anyone want on or off the list?

Germany to anyone: I am open to any deals, will someone please tell me what you want.

Dear Russ,

I see you were so overwhelmed by the news about Adrian Adonis that you were speechless. Well, here's another item: Bruiser Brody died in Puerto Rico recently, evidently murdered by wrestler Jose Gonzales in the dressing room before a show. (Gonzales worked briefly in the WWF as Invader #1). Why he did this is not known; I get the feeling from reading the reports that Gonzales held some sort of grudge against Brody, but no one except Gonzales knows for sure.

Best,
Jeff
