

# FROBOZZ

Issue #60.5

November 21, 1988

This special issue of *Frobozz* is being brought to you free of charge. Unfortunately, I screwed up the game report in issue #60 to such an extent that this special correction issue is necessary. What happened is that Ernest Johnson's orders somehow got mixed in with some of my wife's belongings, causing me to NMR him and to use Stuart Lange's standby orders instead. Since Ernest's orders arrived in time, those orders must take precedence over the standby's. Thus, here is the corrected game report:
