I am willing to start at least one game of the following:

- Napoleanic Diplomacy
- Anonymous diplomacy
- Regular Diplomacy with my regular 4 week move
- " " with 2 week moves.

Would nayone be interested in a Parlement game? with variations? Game fee is $4.00. Deduct 50¢ if you are a NFFF member. Deduct another 50¢ if you belong to Ahiks. Deduct a dollar if you already are in the zine as a player or trader.

HEY OUT THERE! Isn't this game boring if you only play the tactical part of the game. Do try to remember it is called Diplomacy!
