NEW IMPROVED EXTRA STRENGTH DIPLOMACY (Colonial Diplomacy II)

1. The 1976 rules of Diplomacy are in effect with the following changes.
2. Victory condition is now 22 units. (II)
3. There are now 42 supply centers on the board. (V)
4. Each great power starts with units in all of their home centers: (VI.3)
Austria: A Vienna, A Budapest, A Trieste, F Albania
England: F London, F Edinburgh, A Liverpool, F Egypt(nc)
France: A Paris, A Marseilles, F Brest, F Algeria
Germany: A Berlin, A Munich, F Kiel, A Silesia
Italy: A Rome, A Venice, F Naples, F Tripoli
Russia: A Moscow, A Warsaw, F StPetersburg(sc), A Livonia, F Sevastopol(sc)
Turkey: A Constantinople, A Smygna, F Armenia(wc), F Arabia(nc)
5. Sinai contains a canal between the Eastern Mediterranean and the Red Sea.
This province is treated the same as Kiel and Constantinople. (VII.3A)
6. There are three provinces designated as disband provinces: Sevastopol,
Armenia, and Persia. These provinces help in moving units into and out of the
Caspian area. Sevastopol can be used only by Russians, Armenia can be used only
by Turks, and Persia can be used by anybody. In these provinces a unit can move
Off the Board in the fall. Then in the winter the oposite unit may be built
there unless the province was occupied in that fall move by another unit. If the
oposite unit is not built that winter when it could have been, it is considered
a winter disband. If it was not built because the province was occupied it is
considered a fall annihilation.
7. The following provinces have two coasts: Arabia(nc&sc), Armenia(wc&ec),
Bulgaria(ec&sc), Egypt(nc&ec), Persia(nc&sc), Sevastopol(sc&ec), Spain(nc&sc),
and StPetersburg(nc&sc). They are all covered in rule VII.3b. Fleet builds that
sre made in a two coasted province must specify a coast. (XIII.2)

PRESS:

FRA-GER: Sounds good to me...more later
FRA-RUSSIA: Thanks for the encouragement, no matter what the motive may be...
FRA-ENG: So Sorry, but reeally...I'm just passing through. Something to do with preparing for the Italian juggernaut.
FRA-TUR: Hya ol' buddy! Thanks for the card about the pics. And to think they suspect that I'm just a front for you...HO! HO!
Marc-Woodhead: You're the worst offender of all! Submit press now, or prepare to die.
Mun-Mos: Honest Marc, they call me. My word is as good as gold. As long as it's convenient, of course!
Tur-Czar: Is this what being "Cannonized" is like?
Tur-Boursers: Sell, sell, sell!
Ank-Echo Bay: Once again, I blew it. Some people never learn, But this time I did. I did. I did. Did. Did.
Tur-GM: Now I'm beginning to understand your style of Diplomacy play. The get to 2 centers and hold strategy. Saves a lot of time writing orders.
GM-Tur: You missed a point. You're only supposed to use that strategy for standby positions!
CZAR MIKHAIL-HERR MARC: Looks like you're gonna have to hurry if you want to get next to Evans before his demise. Oh, and isn't it reassuring to have allies?
CZAR MIKHAIL-THE WOODEN ONE: I'll bet Bryan isn't tops on your hit parade. And he didn't even have the courtesy to stick around and gloat!
CZAR MIKHAIL-THE INFINITELY MERCIFUL ARCHDUKE ROBERT: Thankx.
Italy-Germany: Interesting!
Italy-Austria: Hmm! Sorry for the NMR's...
Italy-GM: NMR - it won't happen again...
Italy-France: Thanks God! You understood...
Italy-Turkey: Sorry, but it's the way...
Italy-Russia: Thanks for writing!

BOURSE PRESS:

TAPP-SSS: You have F.E.'s body somewhere?!? What, in formeldahyde?

TAPP-Evans: Or how about a "How Not to Play Turkey" article. Seer-playing Turkey can be difficult even without certain parties involved in the game.

TAPP-BOURSE PLAYERS: I was at MadCon and boy did I have a great time. For all you chumps who missed it this year - next time suckers!

PPM-Austria: Come on man - make that comeback! I hope you get a build.

PPM-Russia: Best laid plans, eh? Too bad about Turkey.

PPM-TAPP: Yes master - I listen and will obey. Boy did I blow it over France last season.

PPM-GM: Hey why don't you clean out the deadwood in this Bourse. You know zap their files.

GM-PPM: Under my rules, you don't need to trade to stay active. Not much chance of winning without trading, but your portfolio remains intact.

PPM-GMS: Just keep running - cause I'm after you three.

Cal Dreamin'-Webhead: You're not the only one who's risking it all on Evans.

Cal Dreamin'-Givan: Common buddy, get with it. Are you allied with Russia or not?

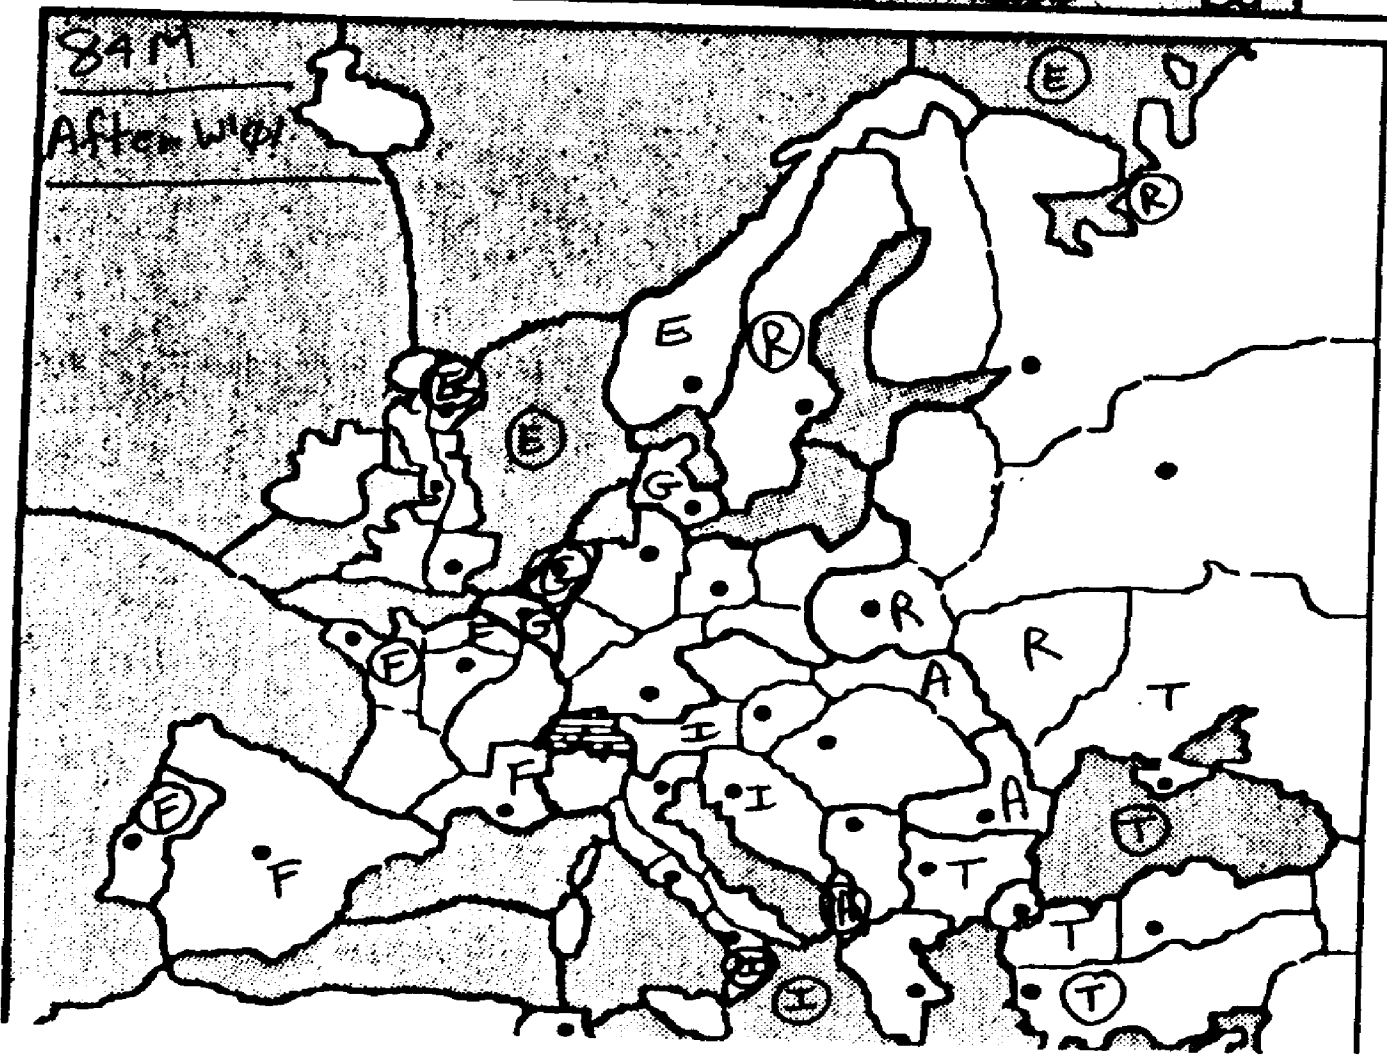

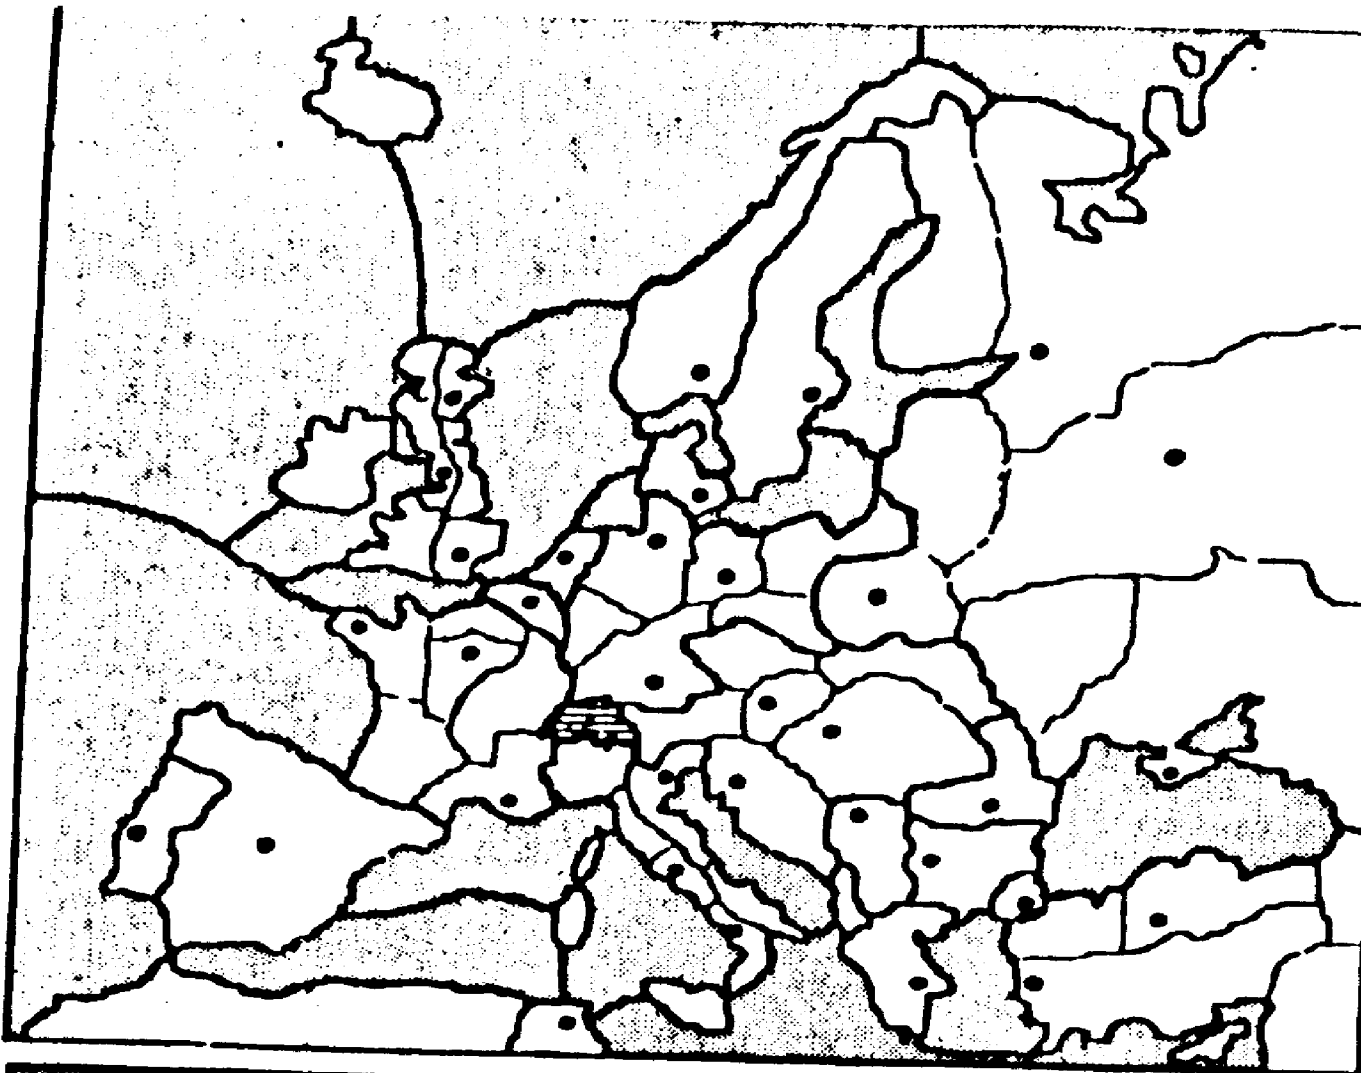

BTMF: Bermuda Triangle University has been placed on probation for paying their football players inadequate salaries.

Stimmel-GM: I assume that Clark Reynolds, now playing France, may no longer be contacted by Boursers, concerning the game.

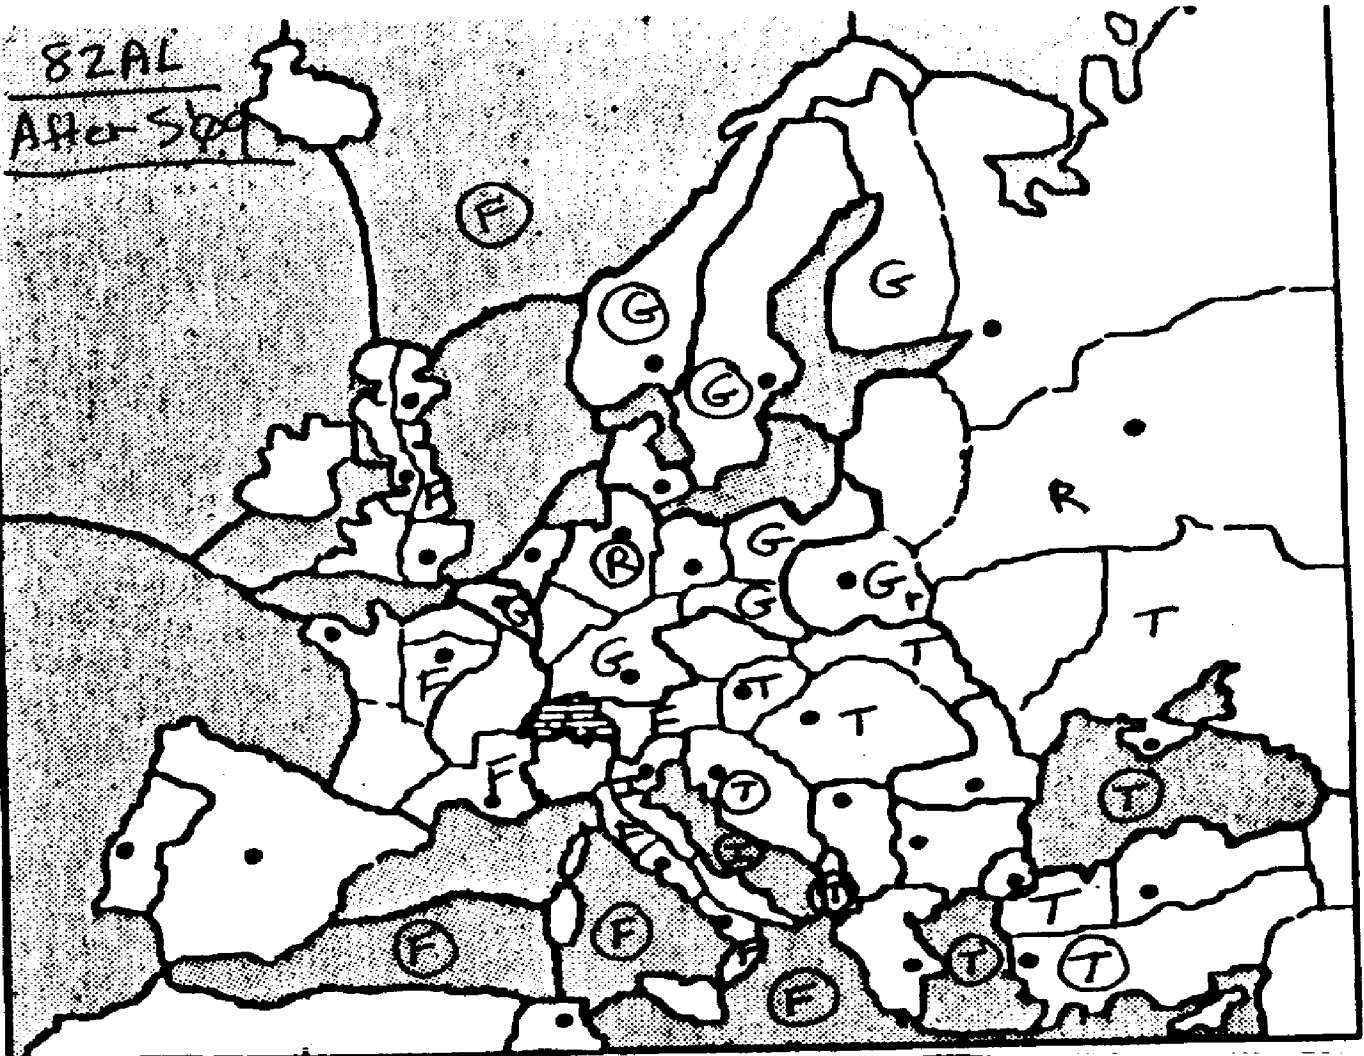

GM-Stimmel: Wrong. He retains his position here, as does Marc Peters.

Spelling lesson: Usefulness should be spelled with only one l. I once used two on an important English exam. Pittsburgh, Pa., has an h, but other Pittsburgs have no h at the end.

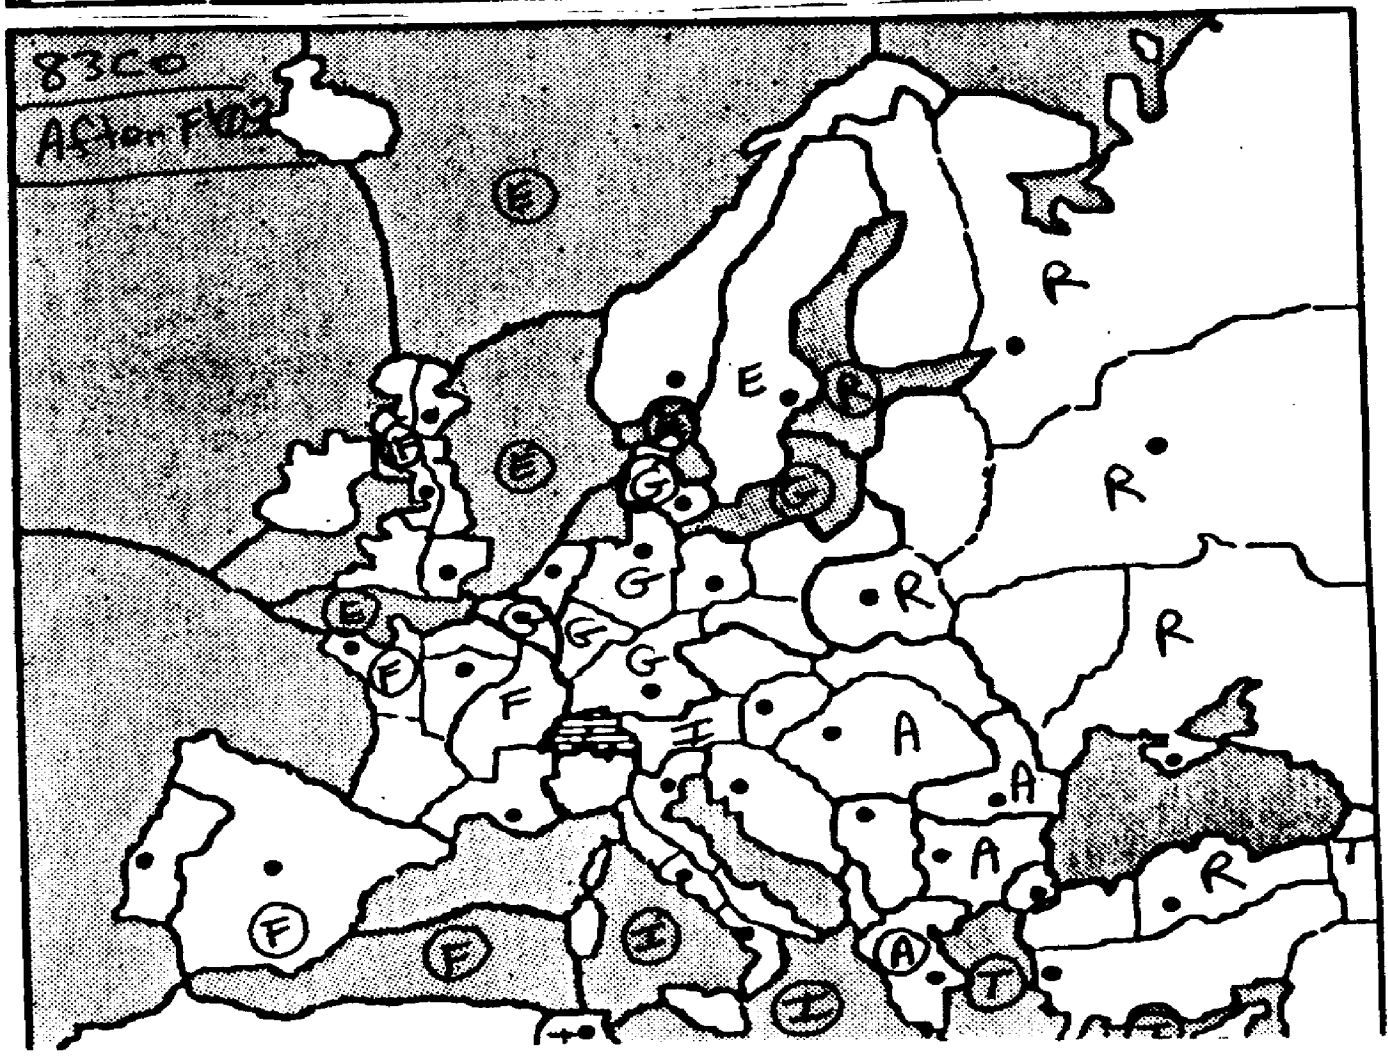

GM: My appologies to SSS and GMS for misplacing their press.

PRESS:

Fun-Far: This is getting kind of complicated. Can you keep it up?

Ger-Ita: I never forget. It just seems like I do.

NAPOLEON-MR. NIXON: Good job! Even the mighty Turk will quiver before your
pirate fleet and its scurvy crew. Well for a little while at any rate

NAPOLEON-GERMAN: Don't go wishy washy on me now, just as we're about to deliver
the coup d' grace. After all we've been through, it would be a shame to have any
other outcome.

HIKE-MARK: No wonder the aliens weren't effective, what with using Kin-O-Zap
guns! If you had typed it right, Russia would still be a force to reckon with.

MARK-MIKE: I only type them as I see them. Anyways the Sultan has a different
xplanation.

Constantinople-Orangevale: Actually, the French Science Academy has its facts
straight; there was a group of alien infantry fighting alongside Russian
infantry. These "Cannonites", however, were easily vanquished by another group
of alien infantry, who call themselves "Fremen", that were imported by the
ultan.

Orangevale-Con: Thanks for setting the record straight.

Turkey-France and Italy: If I keep getting "stabbed" like this every year, I'll
in the game.

Ita-France: Do me a favor, cut that lifeline. I want to drift away into the
byss.

PRESS:

Russia-England: I don't intentionally ignore you, it just never seems practical to ally with you.

England-Russia: Niet! Niet!

England-France/Germany: Lets talking!

England-Italy: Hello! There is anybody out there...

Russia-Austria: Right! Let's jump Russia. Let's bend over and pick up the old soap while Italy & Turkey maneuver in the rear. And you're right - you should be committed.

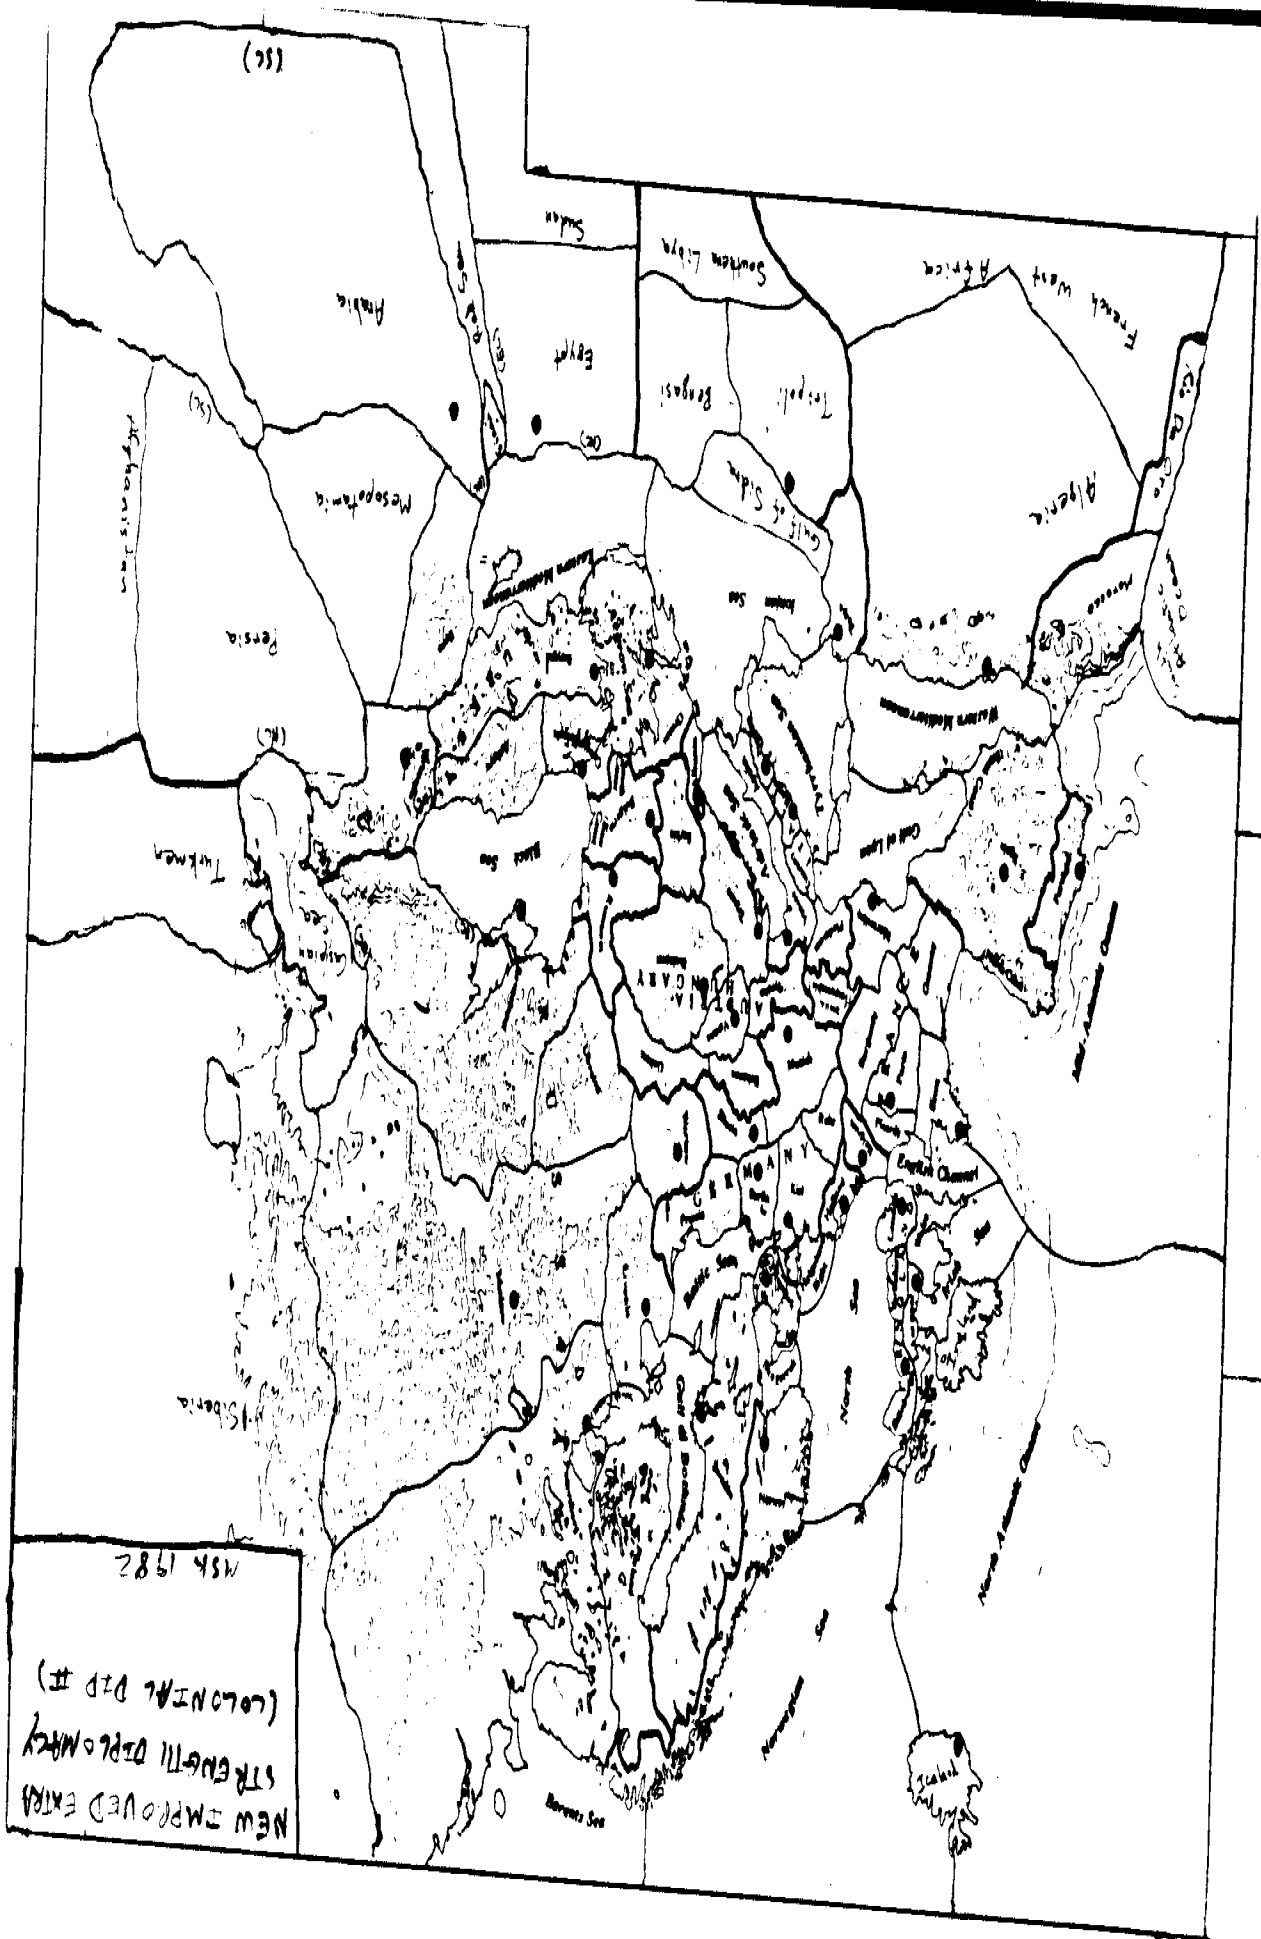

Turk-Aus: That was my second revision copy on that piece of poetry. You want I should send the original for print?

Turkey-Moscow: Being down in these nice balmy southern climates (and I allergic to snow) no one really cared what happened up north. But all at once, the troops wanted to see snow; so to appease my men, I took them north to visit the small burg of Sevastopol. But after eighteen minutes (I told you it was small) they returned to camp dejected. When I approached them, they spoke in unison, "Where's the beef snow?"

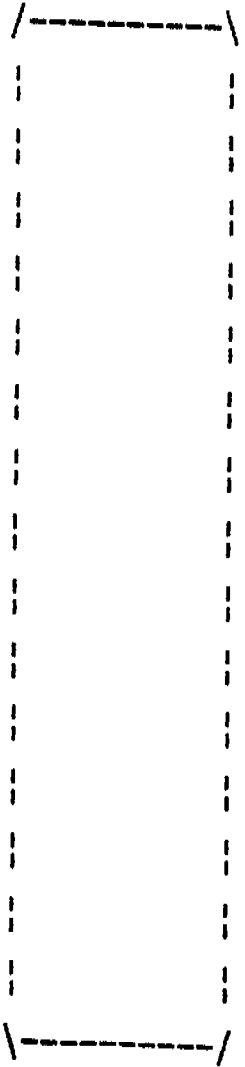

Turkey-GM: Just think of the fun, if bourse was tied to this dip game instead!!

Turkey-Austria: I had this dream were my friend & I were walking along, when we were confronted by a big bully. When he told us to move aside, we looked at each other. All of a sudden he started landing blows on my friend. Do you realize how awful I_felt seeing a friend getting pulverised. He survived, though, but is still in intensive care.
