

Hoosier Archives was originally a periodic listing of the Diplomacy archives of William Buchanan, R.R. #3, Letanon, Indiana 46052, telephone (317) 482-2824; Archives Director, N3FGDD and a member of TDA, IFWDS and the PDRC. It is now primarily a Diplomacy gazette devoted to articles on good play, demonstration games such as The Grudge Game (1971BC) now in progress, rating systems, and game news. Although the archives is virtually complete in at least xerox form, except for Ruritania and the LASFS zines, missing undamaged originals are solicited, either for purchase or a loan to permit xeroxing. (See the last quarterly archives listing in Hoosier Archives #53 for zines needed.) Many original spares are now available from the archives and more are solicited so as to make them available to others. A subscription to Hoosier Archives is 15/\$2.00 or 7/\$1.00; back issues are available for a stamp a piece. Ask for issue #55 to get a list of all articles through #58. This is Albatross Press publication #64.

## DIPLOMACY CENSUS

This special 3rd class issue contains a virtually complete list of the names and addresses of all currently active postal Diplomacy players. This gargantuan effort was largely made possible by the labors of Larry Peery, although Rod Walker supplied the names sans addresses, and we proofed the rough draft and got it into final form. Also, many thanks go to all the GM/publishers who submitted missing addresses. I think you all will be interested in the results and especially the break-up by states.

NOTE: The total for Canada is 29. Other totals aren't listed, as they aren't believed to be accurate. In fact, we couldn't find addresses for 159 names. Most of these are believed to be overseas or inactive, but in some cases this is undoubtedly not true. Therefore, if anyone can provide additions or corrections to this census, it will be most appreciated and these corrections will then be published at a later date.
