

This is LIAISONS DANGEREUSES, a journal of postal Diplomacy, game-mastered by Lenard Lakofka, 1806 N. Richmond St., Chicago 60647 and printed on the IFW press. LD, for this issue--due to the GM being rushed--again incorporates bronto and NEOPHYTE. LD is affiliated with the N3FGBDD, the IFWDS and the GM is a member of the reform DA headed, in keeping, by Larry Peery. NEOPHYTE has three games open @ \$3 per game with 50% subtractions for membership in IFW or the N3FGBDD. LD has one game open, see LD #15. Game fee \$4 with same subtractions.

-----  
Questions for your interest. These will be dealt with in more detail when time permits.

1. Should a rating system be standardized by a diplomacy group, e.g. IFWDS, N3FGBDD and/or DA such that all voting members may vote on the terms of the system and games to be included in that system? (This is a loaded question)
2. Should the games gamemastered by Buddy Tretick be rated by Rod Walker? (this is an advisory to Rod....please answer ONLY if you have seen LA GUERRE...and still have the unpleasant memory of remembering it!)
3. Are 7 man, 7 player diplomacy series "irreguäär", i.e. not standard 7 man Diplomacy games and therefore not subject to rating?
4. How important to you believe ratings are?

All those who have paid are IN the game. I now need two more payments to fill NEOPHYTE #5. All those who have shown interest must send their checks (\$3) by December 1, 1971 along with a country preference list to be carried on this game roster. If NEOPHYTE 5 fills NEOPHYTE 6 will open immediately. Any player who has paid a game fee may apply as a substitute in another game. Substitution is FREE to the player as long as he is in one ~~NEO~~ paid up game. Thus Mr. Hail, e.g. may be a sub in NEO 3, this will cost him nothing.

.....  
LIAISONS DANGEREUSES # 15--this is the last open game in LD!

paid are Conrad von Metzke, Tom Cleaver, Larry Blandin, and Dennis Brackman. Bob Katzive, Chris Waddington and Ben Zablocki have shown interest but have sent no money (\$4 minus 50¢ for IFW or N3FDDGB)

Mrs. Katzive, Waddington and Zablocki have until November 24 to send their checks. If they are not received I will take three paid players from NEOPHYTE GAMES or anyone who wants to play in the game, and begin. I am only going to place those who have said they wish to be substitutes in LD 15.

Because I am very busy this week I must invoke my house rule which allows me to delete press releases if the 'zine is too full or my time too short. Sorry.....
